*Proceedings of the Madras Government, Public Department,
6th December 1867.*

No. 51. Read the following letter from the Protector of Emigrants, to the Chief Secretary to Government, Fort Saint George; dated Madras, 29th November 1867, No. $\frac{M}{67}$.

I have the honor to submit, for the orders of Government, the accompanying letter from the Officiating Superintendent, Transport and Supply Division, Upper Godavery Works, stating that he had arrived at Madras on special duty to recruit a number of laborers for those works, and inquiring whether such operations would be affected by Act V. of 1866.

2. Section 2 of the Act prohibits the engagement of any laborer to serve out of the limits of the presidency, except under its provisions; but I am doubtful if this was intended to apply to men engaged by Government. The Commissary General, a short time since, engaged a number of dooly bearers for Abyssinia, but they were not considered as laborers within the meaning of the Act.

From the Officiating Superintendent, Transport and Supply Division, Upper Godavery Works, Central Provinces, to the Protector of Laborers, Madras; dated Madras, 29th November 1867, No. A1.

Having been ordered to Madras on special duty to recruit a number of laborers in districts under this presidency on account of Government for the Upper Godavery Works, Dumagudium, I have the honor to request you will be good enough to inform me whether Act V. of 1866 will in any way affect my operations, and whether I will have to conform to rules therein laid down.

2. As this is the working season on the Upper Godavery, and it being very desirable that no time be lost, I beg to solicit the favor of a reply as early as possible. Please address to the care of Messrs. Gahan, Eaton & Co.

I can see no reason

why the Supp. Transport

Supply division should

not conform to Art
