Proceedings of the Madras Government, Public Department,

13th February 1867.

No. 59. Read the following letter from the President Municipal Commission, to the Chief Secretary to Government, Fort Saint George; dated Tanuku Taluq, 25th January 1867, No. 25.

I have the honor to state that, in the Municipality of Cocanada, the Commissioners and myself have found some difficulty in imposing the taxes under Section 46 of the Act.

2. In Schedule B, it is declared that "every Merchant, Banker, Sowcar, Wholesale Trader, Commission Agent" shall pay an annual tax of 25 Rupees. We found that though many people came under one of those designations, yet, looking to the amount of their business, it was not fair to tax them at the same rate as those having a large and profitable trade.

3. As Section 46 declares that such people shall pay such annual sum as may be approved by the Governor in Council, "not exceeding the rates mentioned in Schedule A," I request that we may be allowed to tax such Merchants, &c., under two rates, as circumstances shall show to be fair, viz., 25 Rupees and 12 Rupees per annum, under Schedule A.

No. 60. ORDER THEREON, 13th February 1867, No. 154.
Sanctioned.
(True Extract).

Sir,

I have the honor to state
that in the Municipality of Co-
Canada the Commissioners and
myself have found some difficulty
in imposing the taxes under Sec 46
of the Act.

² In schedule B, it is declared
that "every merchant, Banker, Lawyer,
wholesale Trader, Commission
Agent" shall pay an annual tax
of 25 Rs. We found that though
many people came under one of

to the amount of their business,
it was not fair to tax them at
the same rate as those having a
large & profitable trade.

As Sec 46 declares that
such people shall pay such an-
nual sum as may be approved
by the Governor in Council "not
exceeding the rates mentioned
in Schedule A", I request that
we may be allowed to tax such
merchants &c under 2 rates -
as circumstances shall show to be fair.
First 25 Rupees & 12 Rupees per
annum under schedule A

I have the honor to be
