Proceedings of the Madras Government, Public Department.
11th December 1867.

No. 111. Read the following letter from the Acting Magistrate of Nellore, to the Chief Secretary to Government, Fort Saint George; dated Nellore, 4th December 1867, No. 417.

The Acting Sub-Collector reports that there is a man-eating tiger infesting the Yelagondas, the hills which form the boundary between the Kanigiri Taluq in this District and the Cumbum Taluq in the Kurnool District. The animal is officially reported to have recently killed four persons, but this is believed to be considerably under the mark. Mr. Sharp proposes that a reward of Rupees 100 should be offered for the destruction of the animal, whether it be killed in this District or Kurnool. I beg to request the sanction of Government for the offer of this reward.

No. 112. ORDER THEREON, 11th December 1867, No. 1572.

The Governor in Council sanctions a reward of one hundred Rupees being offered for the destruction of the man-eating tiger referred to in the foregoing letter.
