*Proceedings of the Madras Government, Public Department,
12th December 1867.*

No. 119. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 5th December 1867, No. 475.

With advertence to paragraph 2 of the Order of Government noted in the margin, I have the honor to state that I think medical certificates granted by Dr. Scudder might be received when there is no Medical Officer in the service of Government present at Arcot.

2. When a Medical Officer in the Public Service is present, I consider it most desirable that all certificates should be granted by him; as, in case of any irregularities occurring, he is amenable to the authority of this Office, which Dr. Scudder, of course, is not.

No. 120. ORDER THEREON, 12th December 1867, No. 1576.

In continuation of the G. O., No. 1480, dated 27th November 1867, the Governor in Council directs that, in the absence of any Medical Officer in the service of Government at Arcot, medical certificates granted by Dr. Scudder, in charge of the Raneeper Dispensary, may be accepted as official documents, having the same effect as the usual medical certificates.
