(a.) For English and Eurasian children, the English language, may be taken as the vernacular; and, in the place of English as an extra language, one of the vernaculars of the Presidency—Tamil, Telugu, Canarese, Malayalam, and Hindoostanee—may be brought up.

(b.) In the case of Girls' Schools the grants will be 50 per cent. higher; and, in addition, a grant of Rupees 2 will be given for tolerably fair plain needle work, and one of Rupees 4 for decidedly good work of the same description. A capitation grant of one rupee a head will also be allowed, as a temporary measure, upon the average daily attendance during the year.

SPECIAL Regulations in connexion with the system of "payment of results."

Only one examination within an official year will be claimable by a school; but, to meet the case of indigenous schools, half-yearly examinations will, when practicable, be given to such schools, and half the prescribed annual grants will be issued upon the results of each examination.

2. To be eligible for examination, a pupil must have attended six months at the school in which he is reading; and, to count a month's attendance, a pupil must have attended at least 15 days in that month.

3. A pupil is not to be presented for examination under any standard who has already passed for that standard at another school.

4. Where the inspection of a school is made annually, a pupil will not be allowed to pass more than once under any standard, save the fourth or highest. For the fourth, a pupil will be permitted to pass twice at the same school.

5. Where the inspection of a school is made half-yearly, a pupil may pass twice for each of the 1st, 2nd, and 3rd standards, and four times for the 4th standard.

6. In the case of half-yearly examinations, the first may be made somewhat less severe than the second.

7. An application, in the annexed form (C), must be made to the Inspector of the Division by the managers of a school seeking aid under the system of payment for results; and, at the same time, a copy of the application must be forwarded by them to the office of the Director of Public

Instruction. An application, for inspection, under this system, must reach the Inspector at least three months before, in the course of his ordinary tour, he will visit the District in which the school is situated. If this condition is not fulfilled, the Inspector will be at liberty, should his arrangements render it decidedly inconvenient for him to visit the school, to let the application stand over till the following year's tour. In this case, the Inspector is to send a Memorandum of the course pursued by him to the managers of school, and a copy of the same to the Office of the Director of Public Instruction.

8. When the preliminary conditions are fulfilled, the Inspector will examine the children presented to him according to the standards specified by the managers of the school. After examination he will furnish the managers with a Memorandum showing the pupils examined and passed under each standard, and the grant claimable in consequence. This memorandum is to be submitted to the Director of Public Instruction by the

managers, with an application, requesting that the sum stated by the Inspector to be claimable may be paid to them. On receiving the application, and memorandum, the Director of Public Instruction will take immediate steps to pay the money.

9. Schools receiving aid under the salary grant system cannot claim assistance under the "payment for results" system, and vice versa.

10. All schools receiving aid under the system of "payment for results" will, similarly to schools under the salary grant system, have to furnish such returns and statements as may be called for by Government.

11. To pass at an annual examination for any head belonging to a standard, a pupil must secure one half of the marks assigned by the Inspector to that head. The Inspector is at liberty, however, to allow a small deficiency under one head, to be compensated for by superior proficiency under another.
