3rd December 1867.*

No. 32. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George ; dated Madras, 19th November 1867, No. 2113.

General Department.

Referring to G. O., No. 3482, dated 12th November 1867, Public Works Department, I beg to forward the Return of Hospitals called for.

2. The Hospital buildings in other places are of a substantial kind—generally permanent public buildings made over to the Police for the purpose.

3. There are no funds for the construction of a Hospital at Cocanada in the Police Budget. The endeavour to do so from public funds has proved a failure, and the Municipality must now be called on to provide the requisite accommodation under the Act. I would propose a grant-in-aid from next year's budget of one-third of the cost, in consideration of the probability of men from the adjacent taluqs being treated there.
