No. 186. Read the following letter from the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 14th December 1867, No. 483.

In submitting for favorable consideration the enclosed letter from Native Surgeon M. Iyasawmy, Acting Civil Surgeon, Cuddapah, intimating the intention of one of the Life-Governors

of the Dispensary there, Mr. Casumsetty Nursanah, to present the institution with a case of Lithotomy Instruments, I feel assured that Government will fully appreciate the liberality of that gentleman; and I beg respectfully to recommend that he be permitted to purchase the instruments at cost price from the Presidency Medical Stores.

From Native Surgeon M. IYASAWMY, Acting Civil Surgeon, Cuddapah, to the Deputy Inspector General of Hospitals, Ceded Districts and Mysore Division; dated Cuddapah, 7th December 1867, No. 82.

I have the honor to state that one of the Life-Governors of this Dispensary, named Casumsetty Nursanah, has intimated to me his intention of presenting the institution with a case of Lithotomy Instruments, and is desirous to be informed if he may be permitted to purchase the same, for cost price, from the Presidency Medical Stores.

2. I may here mention that the cause that induced him to make this gift is that he had been made aware of the success that attended the operation of Lithotomy lately performed at the Dispensary on a boy who had been laboring for 14 years with stone in the bladder.

3. I respectfully beg to request that you would be so good as to bring the offer of this Native gentleman to the favorable notice of the Inspector General, Indian Medical Department, and obtain his sanction for the same.

No. 187. ORDER THEREON, 21st December 1867, No. 1614.
