The President of Municipal Commission

The Chief Secretary to Government
Fort St. George.

Sir,

At the adjourned Meeting of the
Municipal Commissioners on the 28th ultimo.
it was carried unanimously (that the
resolution proposed by Mr. Pittavaram
on the 12th ultimo to the effect that
the accounts should be required to find
security in cash to the amount of
50000 Rupees, should be referred from the
Committee of Proceedings.

I would however, beg to submit for the
consideration of the Right Honorable the
Governor in Council that it is not in my
opinion desirable the Collector should be
relieved from furnishing security,
as all his predecessors have done to the amount
of 100000 Rupees with two good sureties &
in half the amount in Government Paper.

The Collector has very large sums of
money continually passing through his hands,

Proceedings of the Madras Government, Public Department,
31st December 1867.

No. 199. Read the following letter from the President of the Municipal Commission, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 16th December 1867, No. 109.

At the adjourned Meeting of the Municipal Commissioners on the 23th ultimo, it was carried unanimously—that the resolution proposed by Mr. Parthasarady Naidoo on the 12th ultimo, to the effect that the Collector should be required to find security, half in cash, to the amount of 30,000 Rupees, should be expunged from the Minutes of Proceedings.

2. I would, however, beg to submit, for the consideration of the Right Honorable the Governor in Council, that it is not, in my opinion, desirable the Collector should be released altogether from furnishing security, as all his predecessors have done to the amount of 10,000 Rupees, with two good sureties, or half the amount in Government paper.

3. The Collector has very large sums of money continually passing through his hands, and though there is never any considerable sum in the cash-chest as the daily collections are paid into the Madras Bank, it would be more satisfactory to myself, as President, and probably to the rate-payers, that security should be taken to a reasonable amount.

4. I have had a conversation on the subject with Mr. Jesudasen Pillay, who informs me that he is perfectly ready and willing to give security, and to the extent of 5,000 Rupees in Government paper, should the Government so decide.

No. 200. ORDER THEREON, 31st December 1867, No. 1624.

X Under Act VII. of 1867, the Collector of Municipal Taxes is not required to furnish security. The Governor in Council will, however, be prepared to sanction a Bye-law containing this provision, if the Municipal Commissioners consider such an addition to the Act to be necessary.

PROCEEDINGS of the MADRAS GOVERNMENT.

Read the following letter from the

President, Madras Municipality.
(Received 15th June 1899)

Order thereon

The Government sanction
the proposal that the Collector
of Municipal Taxes should
be required to deposit security
to the extent of Rs. 5000
thousand in Government paper.

Spiced as warrant-in-law
for the demand from the Coll.
of Municipal Taxes, of security
for the proper exercise
of his duties. The measure
for which Col. Secison solicits
sanction from Govt. is connected
with the executive power and
responsibility belonging to him
as the President; but if he
deems himself wanting in
authority to accept Secison's
offer, I think it will rest with
the Mr. Comr. to pass a bye-law
on the subject. The Govt. seem to me
inclined to do so in the matter.
To the President, Madras Municipality.

with Mr. Phillips
I think it is possible
to do so without
from the Mr. Comr. it
should be provided
for by a bye-law.
