Proceedings of the Madras Government, Public Department,

20th February 1867.

No. 93. Read the following letter from the Sanitary Commissioner for Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 15th February 1867, No. 519.

I have the honor to submit for the sanction of Government the enclosed bills, amounting to Rupees 162-14-2, being charges incurred by me for printing work executed by Messrs. Gantz Brothers, and Messrs. Graves, Cookson & Co.

Enclosures 2.
1 Bill, dated 31st January 1867, from Messrs. Gantz Brothers, for Rupees 148-15-8.
1 Do. dated 31st December 1866, from Messrs Graves Cookson & Co., for Rupees 13-14-6.

2. I am aware that all official printing work should, as a general rule, be sent to the Government Press for execution.

The reports for which I now submit printing bills relate to Districts visited by me under the Orders of Government quoted marginally, with a view to measures of relief being organized and sanctioned by the Government with as little delay as possible.

3. In order to save delay, as I was aware that there was a press of work at the Government Printing Office, I have ventured to depart from the usual course and to send the reports in question to private Printing Presses.

4. Under the explanation afforded above, I trust the Government will be pleased to accord their sanction to the disbursement of the amount of the bills forwarded with this letter.
