From, Geo. Danbury Esq.
President of the Municipal Commission
for the Town of Middletown

To, The Honble. A. J. Whittier Esq.
Chief Secretary to Government.
Fort Saint George

Sir,
I am forwarding the accom-
panying extract from Proceedings of Mu-
nicipal Commissioners dated 26 Jan-
uary 1867, I have the honor to request
the Orders of Government as to whether
a Military Officer holding a Civil ap-
pointment is to pay professional tax
under Schedule A, upon his consolidated
Military and Civil income, or only upon
the latter portion. Thus Colonel Cair-
ney is of opinion that he is charged
only on the Rs 300 per month, which
he receives as Civil Engineer, and
not upon the Military portion
of his salary. The argument against
the exemption of any portion of
the allowances is, that according to
the Schedule, the Officer "is a person
holding a Civil appointment under
Government whose salary amounts
to" &c. so that it may be used

the

the charge is a personal demand,
irrespective of any consideration as
to the component items of the said
"Salary".

The Commissioners are
also anxious to know, whether of-
ficers in Commissariat and other
civil branches of the Army, are liable
to this cost -

I have the honor to be,
Sir,
Your most Obedient Servant.

Geo. R. Barker.
