I have the honor to request that instructions may be issued to the Inspector General of Ordnance and Magazines, to sanction my Indents for such supplies of stationery as are required for the use of the Geological Survey of India in the Madras Presidency.

Dear Mr. Abbott,

I forward with
this an official request that the
Inspector Genl. Ordinaire & Rego-
zines may be authorized to sanction
my requests for such small supplies
of stationery as we require for the
use of the Geological Survey of India,
and I think it may be well to explain
why this application is made now
and has not been made formerly.

Stationery has either been
supplied to us from Calcutta, or
purchased here, & contingent bills
furnished; but the Superintendent
of Geological Survey has now decided
us to apply to the Stationery Office
here, as the Supreme Govt. case.
thus the most convenient mode.

Having always received from the Sta-
tionary office here what copies of
papers we required, I fancied that
Stationery also would be supplied,
but on applying to Col. Simpson, he
told me that he could not pass any
orders without instructions from
Lord. I should be much obliged
if the necessary authority being
granted him in so far as possible.

I remain

Yours

(Wm. G. Adams)
