*Proceedings of the Madras Government, Public Department,
2nd April 1867.*

No. 3. Read the following letter from the President to the Municipal Commission, Kurnool, to the Chief Secretary to Government, Fort Saint George; dated 23rd March 1867, No. 35.

I have the honor to request the permission of Government to introduce the following Bye-law.

2. Buffaloes are not entered in Schedule C of the Municipal Act.

3. It is found that nearly all the traffic of the town is carried on by means of buffaloes, which do as much damage to the roads as any other beasts of burden, and by taxing bullocks and not buffaloes in many instances burdens are brought to the town and immediately transferred to buffaloes for their transference through the Municipal limits.

Bye-law.

That the Municipal Commissioners of Kurnool issue licenses for buffaloes at the same rate as that provided in the Act (X of 1865) for bullocks, viz., 8 Annas for each buffalo.

22nd March 1867.

(Signed) T. A. N. CHASE,
President, Munapl. Commission.

No. 4. ORDER THEREON, 2nd April 1867, No. 352.

*Proceedings of the Madras Government, Public Department,
19th December 1866.*

No. 76. Read the following letter from J. FRASER, Esq., President of the Municipal Commission, Cocanada, to the Chief Secretary to Government, Fort Saint George; dated Cocanada, 5th December 1866, No. 14.

At a late Meeting of the Municipal Commissioners for Cocanada, it was unanimously resolved to request Government to permit the taxation of male buffaloes and dogs, under Section 57 of Act X of 1865, at the rates provided for these animals in the Madras Municipal Act (Act IX of the same year).

2. To tax dogs will be most useful, as there will, doubtless, be found, within Municipal limits, numbers of Pariah dogs, the ownership of which no one will admit; such dogs might then at once be destroyed, and so the town be rid of a great nuisance. For the taxation of male buffaloes, the same reason would apply as existed for including them under the Madras Act.

3. I, therefore, beg to lay the above application before Government for their decision; and, if it be favorable, I would suggest its being extended to the Municipalities of Ellore and Rajahmundry.

No. 77. ORDER THEREON, 19th December 1866, No. 1286.

No provision is made in Act X of 1865 (Madras) for taxing any other animals than those specified in Schedule C appended to the Act, and, among the animals so specified, neither buffaloes nor dogs are mentioned.

2. Under these circumstances, the Governor in Council cannot sanction the imposition of the taxes proposed in the foregoing letter.
