No. 75. Read the following :—

Proceedings of the Government of India, Financial Department ; dated Fort William, 22nd November 1866, No. 1899.

Expenditure—Medical.

Read an Endorsement of the Home Department, No. 5517, dated 16th October 1866, forwarding a letter from the Government of Madras, reporting that sanction has been accorded to the grant to a Native Surgeon (practically a Sub-Assistant Surgeon) in Medical charge of Tellicherry of the same allowances as are granted to Covenanted Medical Officers in Civil Medical charge of the Sudder Stations of Districts.

RESOLUTION.—The Governor General in Council observes that, according to the Book of Establishments, dated 1st May 1866, Sub-Assistant Surgeon Thompson

was in receipt, on that date, of the allowances noted on the margin, as in Medical charge of Tellicherry. Native Surgeon Bauloo Moodelly having been ordered to

relieve Mr. Thompson, the allowances which were being drawn by the latter have been continued to Bauloo Moodelly.

The allowances in question are the same as are authorized for a Covenanted Medical Officer in Medical charge of the Head Quarter station of a District, and they exceed in amount the commencing pay, in the improved scale of pay, which the late Committee for the revision of Civil Medical Salaries recommended for Uncovenanted Medical Officers who may be selected for Civil District Medical charges. Under the most favorable circumstances, therefore, the Proceedings of the Government of Madras could have been confirmed only as a special case, which should not form a precedent.

But there is an objection to even this special confirmation of the Order of that Government. Tellicherry is not the Head Quarters of a District, but merely the station of a Sub-Magistrate. The provision of Covenanted Medical Officers for the Medical charge of the stations of Sub-Magistracies is not recognized by the Government of India, and, accordingly, a Covenanted Medical Officer's civil emoluments cannot be recognized as a standard for regulating those of Sub-Assistant Surgeons in such charges. Accordingly, from the next issue of pay after the receipt of this Order, Bauloo Moodelly should be restricted to his substantive pay and an extra allowance of Rupees 100 a month, as a temporary arrangement ; and the Government of Madras should be asked to explain why any extra allowance at all need be given to a Sub-Assistant Surgeon when in Medical charge of a Sub-Magistracy, seeing that such charge, and that of Dispensaries, which are adequately supported by local contributions, constitute the ordinary duties for which Sub-Assistant Surgeons are engaged.

Ordered that a copy of this Resolution be sent to the Home Department, with the original documents received from that Department, and to the Accountant General, Madras.

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT.

SIR,

In acknowledging the receipt of the Resolution of the Government of India in the Financial Department, under date the 22nd November last, No. 1899, forwarded to this Office with Mr. Howell's docket of the 30th idem, I am directed to observe that Tellicherry is the Head Quarters of the Zillah bearing that name; that the Civil and Session Judge, Sub-Collector and Joint Magistrate, a Deputy Collector, Principal Sudder Ameen, and a Master Attendant are resident there; and that the Officer in Medical charge of the station has also the Medical charge of the District Jail.

2. Under these circumstances, the Madras Government are of opinion that the extra allowance temporarily sanctioned for the Sub-Assistant Surgeon in Medical charge should be sanctioned as a permanent arrangement, to continue in force so long as the Medical charge of the station may devolve on an Officer of that grade.

I have the honor to be,

Sir,

Your most obedient Servant,
