*Proceedings of the Madras Government, Public Department,
12th April 1867.*

No. 55. Read the following letter from N. A. ROUPELL Esq., M. C. S., to the Chief Secretary to Government, Fort Saint George ; dated Madras, 12th April 1867.

Having ascertained that the prospects of promotion in the Mysore Commission are much less favorable than those at present open to me in the Civil Administration of this Presidency, and that, probably, I should be a very serious loser by entering the Commission, I venture to request that His Excellency the Governor in Council will be so good as to forward to His Excellency the Governor General in Council this my application for permission to revert to my appointment under the Madras Government.

No. 56. ORDER THEREON, 12th April 1867, No. 385.

Ordered that the following Telegram be despatched to the Secretary to the Government of India, Foreign Department, Calcutta ;—

“ Mr. Roupell, finding that his prospects in Mysore Commission are much less favorable than under this Government, has requested permission to revert to his former position. As he has not yet joined the Commission, the Madras Government recommend that his application be complied with. Please telegraph answer”.
