*Proceedings of the Madras Government, Public Department,
17th April 1867.*

No. 70. Read the following letter from the Collector of Coimbatore, to the Chief Secretary to Government, Fort Saint George; dated Coimbatore, 1st April 1867, No. 23.

I have the honor to forward, for the disposal of Government, an original letter from Colonel Angelo, the present tenant of Bishopsdown.

2. It appears that Mr. Bill, who sub-rented Bishopsdown from Colonel Angelo, has failed to pay any rent during his absence at the Cape, and that, consequently, Colonel Angelo is now indebted to Government in the sum of Rupees 2800*. Colonel Angelo now requests that he may be permitted to repay this sum in monthly instalments of Rupees 100, commencing from the receipt of pay in April. This monthly instalment of Rupees 100 is to be in addition to the regular monthly rent of Rupees 200.

3. The repayment of the Rupees 2800 will thus extend over two years and four months. Colonel Angelo also requests that, as the house has been under repair for two months, and consequently uninhabitable, he may be released from the payment of rent for those months.

4. In a business point of view, I cannot support either of Colonel Angelo's requests, but, if Government feel inclined to take a favorable view of his circumstance and meet his wishes, it will give me much pleasure to communicate their instructions to him.

—

From Major F. ANGELO, Bengal Invalid Establishment, to the Collector of Coimbatore; dated Bishopsdown, Ootacamund, 1st March 1867.

I have at last succeeded in getting Bishopsdown back from Mr. Bill, but there is no prospect of recovering any portion of the rent due to me by him, now amounting to Rupees 2800, though I have a decree against him by the Court. Under these circumstances, will you kindly solicit the Government to grant me the indulgence of allowing me to repay the balance of rent due by me by monthly instalments of Rupees 100, added to the rent of Rupees 200, commencing from the receipt of pay in April.

For the last two months the house has been quite uninhabitable, being under complete repair, so I hope the Government will release me from paying rent for the months of January and February.

You are aware how regular I was in the payment of my rent during the time I occupied Bishopsdown, and, on being compelled to leave, I gave a power of Attorney to Messrs. Boyson and Co., the Government Solicitors, to act for me, with special instructions to turn out Mr. Bill, if he neglected to pay one month's rent.

This they failed to do, and, although they called upon my Agents, Messrs. Arbuthnot and Co., to pay the rent on my account to Government, they neglected either to recover from Mr. Bill or eject him.

Under these circumstances, I trust the Government will kindly grant me the indulgence I solicit, for I have nothing but the Invalid pay of a Major to live on, and finding myself 2800 Rupees in debt on my return from the Cape, has completely crippled me for months to come to pay it off.
