*Proceedings of the Madras Government, Public Department,
24th April 1867.*

Read the following papers:—

No. 91. From the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 28th February 1867, No. 73.

With reference to paragraph 3 of the Proceedings of Government marginally noted, requesting me to depute an efficient Medical Subordinate to the charge of the projected Civil Dispensary at Ramnad,
Public Department, No. 183 of 20th February 1867.

I have the honor to recommend that Native Surgeon J. Rajantheram, now in charge of the Branch Dispensary at Cuddalore, may be appointed to Ramnad, and a 3rd Class Hospital Assistant be sanctioned to assist him in conducting the duties. Should Government approve of the measure, I have the honor to request that the Accountant General may be authorized to pass the charges, and that the necessary notification may be published in the *Fort Saint George Gazette*, appointing Mr. Rajantheram to Ramnad.

2. I further beg sanction for a 1st Dresser being appointed to the Medical charge of the Cuddalore Branch Dispensary.

No. 75.

No. 91A. / MEMORANDUM.

The Under Secretary to Government, Public, &c., Departments is directed to inquire of the Principal Inspector General, Medical Department, whether the arrangements proposed in his letter of the 28th ultimo, No. 73, involve an increase to the Medical Establishment, submitted to the Government of India from the Military Department under date 17th March 1866.

FORT SAINT GEORGE,
14th March 1867.

(Signed) F. BRANDT,
Actg. Under Secretary.

To the Principal Inspector General, Medical Department.

No 92. From the Inspector General, Medical Department, to the Acting Under Secretary to Government, Fort Saint George; dated Fort Saint George, 16th March 1867, No. 98.

With reference to your docket No. 75 of the 14th instant, I have the honor to inform you that the projected Dispensary at Ramnad not being included in the scheme submitted to the Government of India with the Proceedings of Government under date 17th March 1866, any establishment sanctioned for the Dispensary must be additional to the allotment referred to.

2. Should Government sanction a Native Surgeon and 3rd Class Hospital Assistant for Ramnad, the actual increase to the establishment will be only a 1st Dresser and 3rd Class Hospital Assistant at a monthly cost of Rupees 55, as the Native Surgeon now at Cuddalore has been recommended to be replaced by a 1st Dresser.

3. Should Government, however, see fit to abolish the Branch Dispensary, as has been recently done at Trichinopoly by the amalgamation of the Branch with the Civil Dispensary, the addition of a Hospital Assistant on 20 Rupees a month is all that will be required. The Cuddalore branch is restricted in its operation, and in my opinion is not necessary in so small a town already possessing its own Civil Dispensary.

*Proceedings of the Madras Government, Public Department,
24th April 1867.*

No. 93. ORDER THEREON, 24th April 1867, No. 408.

Ordered, accordingly, that Native Surgeon J. Rajantheram be placed in charge of the Dispensary to be opened on the Ramnad Estate, and that a 3rd Class Hospital Assistant be appointed to aid him in his duties. The Accountant General will pass the charges to be incurred on this account.

2. The Government concur in the opinion of the Inspector General, Medical Department, that there is no necessity for keeping up the Branch Dispensary at Cuddalore. It will be accordingly closed.

3. As the arrangement sanctioned in the 1st paragraph of these Proceedings will involve an increase to the Subordinate Medical Establishment, submitted to the Government of India from the Military Department, under date the 17th March 1866, application will be made in the monthly Statement of fresh charges for their sanction to the proposed addition of a Hospital Assistant, at a cost of Rupees 20 per mensem.
