4. One Head Constable will suffice.

(Signed) M. W. CARR, Captain,
For Inspector General of Police.

From the Magistrate of Ganjam, to the Chief Secretary to Government, Fort Saint George; dated Chatterpore, 28th February 1867, No. 659.

With reference to the Government Order, dated the 4th October last, No. 1009, Public Department, I have the honor to forward, herewith, a draft Notification, prepared in the form annexed to their Order of the 9th May last, No. 471, for introducing the Towns' Improvement Act at Chicacole, together with the lists and estimates noted in the margin.

1. Paper of limits of the Town of Chicacole.
2. List of Commissioners.
3. Estimate of the cost of Police.
4. Do. of the Scavengering Department.
5. Do. of the Office Establishment.
6. Do. of income from all sources.

2. The rates and taxes proposed to be levied, and the estimated income from each, are detailed in Memorandum No. 6, from which it will be seen that the estimated collections from all these sources amount to Rupees 8000.

3. The town of Chicacole contains about 14,000 souls, and the proposed taxation affects the majority of those who are fit subjects for taxation, without bearing heavily on any particular section of the community.

4. The average rate of taxation per head, on the whole population, is only six Annas and ten Pice.

5. These papers are submitted through the Inspector General of Police, under the Orders of Government, dated the 19th December 1865, No. 1284.

6. It will be observed that the Principal Assistant Collector has not framed estimates of the sum to be raised by a tax on trades, as his estimated outlay is covered by the other taxes he has proposed. I have not called upon him to submit such an estimate at present, but should recommend the application of the tax on trades next year, if experience shows that an additional revenue is needed.
