Proceedings of the Madras Government, Public Department,

10th January 1867.

No. 101. Read the following letter from the Controller of Military Accounts, to the Secretary to Government, Fort Saint George; dated Fort Saint George, 7th November 1866, A.

I have the honor to acknowledge receipt of Order of Government, dated 16th October 1866, No 1058, referring, for the report of this office, the claim of Surgeon F. Day to Military pay and allowances.

2. In the letter of that Officer, dated 24th August last, recorded in the Proceedings of Government under acknowledgment, Dr. Day appears to claim consolidated salary, at Rupees 890 per mensem,

while employed on special duty at Ootacamund, and compensation for loss of Staff salary, as Medical Storekeeper at Madras, which appointment he has not as yet taken up.

3. With regard to Dr. Day's first claim, it is observed that the Order of Government, directing him to proceed to Ootacamund, declared that, while there, he would be entitled to the "Military pay

and allowances of his rank," which, under Proceedings of Government in the Public Department, dated 2nd October 1865, No. 1022, cannot be held to be the consolidated rate of pay attached to the Medical

charge of a Regiment, Rupees 800, plus horse allowance for a Regiment of

Cavalry, which Dr. Day appears also to claim.

4. With reference to Dr. Day's second claim, I would observe that Staff Officers withdrawn from their appointments for employment on special duty continue entitled, under paragraph 8, page 463, Pay Code, to their full Staff salary ;

Paragraph 2, page 462, Pay Code.

but Dr. Day, not having taken up his Staff situation, has no claim to its salary, and does not, therefore, come under the provisions of the aboved-quote paragraph of the Pay Code; compensation for

loss of Staff salary is not authorized by regulation.

5. Surgeon Day, it is understood, has been appointed to the Medical charge of the 28th Regiment N. I., at Kurnool; and, even if he had before assumed charge of his duties at the Medical Stores, he would, under regulation, have no claim to

Staff salary, as he would have been in the position of Officers temporarily remanded to their Corps.

No. 102. ORDER THEREON, 10th January 1867, No. 43.

The Governor in Council is of opinion that Dr. Day's detention at Ootacamund, on public duty, should not be allowed to entail on him a loss of any part of the salary or allowance which he would have drawn had he been permitted to enter upon his duties as Medical Storekeeper immediately on his appointment to that office.

2. The difference between the pay and allowances actually drawn by Dr. Day at Ootacamund, and the salary of his appointment as Medical Storekeeper will be passed to Dr. Day, from the date of his appointment as Medical Storekeeper up to the date of his departure to assume charge of the 28th Regiment N. I. at Kurnool, and will be debited to "Education, Science, and Art."
