*Proceedings of the Madras Government, Public Department,
11th January 1867.*

Read the following papers :—

No. 110. From the Principal Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George ; dated Fort Saint George, 6th December 1866, No. 428.

I have the honor to submit, for the favorable consideration of Government, the accompanying letter from the General Superintendent of Vaccination, reporting that several Civil Dispensaries and Municipal Associations have employed Vaccinators on their own account, and requesting that Government may be moved to publish a Notification in the *Fort Saint George Gazette*, directing all such Institutions to report to his office the employment of Vaccinators, and to furnish a monthly return of vaccination according to the enclosed form.

No. 848, of 22nd November 1866.

From the General Superintendent of Vaccination, to the Secretary to the Principal Inspector General, Medical Department, Fort Saint George ; dated Camp Gutti, 22nd November 1866, No. 848.

I have the honor to report, for the information of the Principal Inspector General, Medical Department, that the following Civil Dispensaries and local Municipal Associations have employed Vaccinators on their own account, viz.,

Civil Dispensary, Negapatam,
,, Combaconum,
,, Manargoody,
,, Cuddalore, and

the Municipal Associations of Vizagapatam and Cuddapah.

2. To the several Civil Dispensaries named above I have nominated qualified Vaccinators at the request of the several Managing Committees of these Institutions, and the Vaccinators are, for the present, to receive 7 Rupees per month.

3. The two Municipal Associations named above have entertained their own Vaccinators on, I believe, a salary of 10 Rupees a month each.

4. I hope the excellent example set by these several Institutions will meet with recognition from Government, as an incitement for others to follow the good example.

5. No better plan can be carried out for the successful spread of vaccination than that of Municipal Associations where established, and in places where such Institutions have not been organized self-supporting Civil Dispensaries taking up the work.

6. As it is likely that this plan of employing Vaccinators will soon extend to other Municipal Associations and Civil Dispensaries, it would be necessary that Government should be solicited to publish a Notification in the *Fort Saint George Gazette*, directing all such Institutions to report to this Department the employment of Vaccinators, and that they forward likewise a monthly Return of vaccination after the accompanying form for record in this office, so as to keep the Vaccine Department informed of the progress of vaccination throughout this Presidency by all such Institutions.

No. 111. From the Principal Inspector General, Medical Department, to the Acting Under Secretary to Government, Fort Saint George ; dated Fort Saint George, 12th December 1866, No. 435.

With reference to your Memorandum, No. 388, of the 8th instant, I have the honor to submit, for approval and publication in the Official Gazette, the accompanying Notification on the subject of Municipal Associations, &c., furnishing a monthly return of vaccination to the General Superintendent.

No. 112. ORDER THEREON, 11th January 1867, No. 47.

Ordered that the following Notification be published in the *Fort Saint George Gazette* :—

“ The Government notice with much satisfaction the interest evinced by the
 Managing Committees of the Civil Dis-
 pensaries noted in the margin, and by the
 Municipal Associations of Vizagapatam
 Cuddapah in the spread of vaccination, by the employment of Vaccinators at
 their own expense; and they hope that the example thus set may be emulated by
 other kindred Institutions throughout the Presidency.

It is requested that when Vaccinators are employed at the expense of Municipal Associations or by the Managing Committees of Civil Dispensaries, a monthly return of vaccine operations in the subjoined form may be furnished to the General Superintendent of Vaccination, for incorporation in the general return of vaccination in the Madras Presidency."
