*Proceedings of the Madras Government, Public Department,
16th January 1867.*

No. 127. Read the following letter from the Civil Judge of Tinnevely, to the Chief Secretary to Government, Fort Saint George; dated Tinnevely, 21st December 1866, No. 746.

The articles of stationery mentioned in the accompanying copy of Statement, having been purchased subsequent to September 1866, owing to the delay in the receipt of stationery from Madras, and the Accountant General having objected to pass the above item in the contingent bill for October last, I have the honor to request that you will be good enough to procure for me the early sanction of Government, for Rupees 25-0-7, being the price of the articles referred to in the said Statement.

2. The last item of Rupees 9-6-6, for papers used for printing Process forms, is not an expenditure actually incurred during the month, but it was incurred as follows:—

The Moonsiffs purchased a large supply of paper for printing forms at a time, and debited each month the amount they could afford. The printing the whole at one time, and the monthly contingent expenses being limited, necessitated this arrangement.
