OFFICE MEMORANDUM.

Medical.

The undersigned has the honor to state that in Madras the Government supports Dispensaries, to the extent of providing Europe medicines, the services of a Medical Officer and Subordinate, and a fixed allowance of 50 Rupees a month towards the dieting of patients.

2. It is desirable to know what proportion the local contributions to each Dispensary bear, under this rule, to the Government contribution.

3. The increased allowances which have been granted to Sub-Assistant Surgeons in the Bombay Presidency render it desirable to have similar information regarding the Dispensaries in that Presidency.

4. The undersigned is, accordingly, directed to request that the Governments of Madras and Bombay may be asked to furnish a Return for the latest twelve months for which it can be readily given, showing the gross charges for salaries, establishments, medicines, diet, and contingencies of each Dispensary to which a Sub-Assistant Surgeon, or Apothecary, or Assistant Apothecary is posted, and the portion of those charges which is met by the contributions of the inhabitants of the place.
