Proceedings of the Madras Government, Public Department,
4th June 1867.

No. 15. Read the following letter from Mr. H. A. PEREYRA, Proprietor of the *Standard Newspaper*, to the Chief Secretary to Government, Fort Saint George; dated Madras, 1st June 1867.

I have the honor to enclose a copy of the *Standard and Commercial Gazette Newspaper*, published by me tri-weekly, and beg to be informed if the Madras Government will be pleased to subscribe to the Journal.

2. I also beg to request that you will be pleased to favor me with copies of such official papers or telegrams of a public character as are, from time to time, forwarded to the local papers for publication. The *Standard* being a very cheap paper, is largely patronised by all, and especially by the middle classes, who have not the means of subscribing to the daily papers. Such being the case, the information Government may be pleased to place at the disposal of this paper will be the means of a much larger portion of the residents obtaining such information than at present, it being now almost entirely confined to those who are in a position to subscribe to the daily papers.

3. The official papers placed weekly on the Editors' table, I regret to bring to your notice, are not furnished to the *Standard* as they are to the other Journals. The list of official papers weekly published in the *Fort Saint George Gazette*, generally contains more documents than those furnished to the *Standard*, and it very frequently happens that the papers withheld are the most important. The Right

furniture, placed at the disposal of the other papers, were not sent to this Journal.

No. 16. ORDER THEREON, 4th June 1867, No. 611.

Mr. Pereyra is requested to forward one copy of the *Standard and Commercial Gazette* to this office, submitting his bill for the same monthly to the Examiner of Claims, who will be instructed to pass it for payment.

2. Copies of all papers laid on the Editors' table will be sent to Mr. Pereyra.
