*Proceedings of the Madras Government, Public Department,
5th June 1867.*

Read the following :—

No. 37. Despatch from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor General of India in Council; dated India Office, London, 23rd March 1867, No. 20.

I have considered in Council your Despatch, No. 10, dated 23rd January last, recommending that one or two Officers connected with each Government and Administration should be nominated on a Committee for assisting Mr. Dowleams in the selection of return presents for those Chiefs and Noblemen who have presented contributions to the Paris Exhibition.

2. In reply I have to inform you that I agree with you in opinion that a small Committee, such as that suggested in the 2nd and 3rd paragraphs of your letter under reply, may with advantage be appointed, and I have accordingly decided to ask the Honorable Ashley Eden, Mr. Goodenough, and Mr. Jenkins, the gentlemen named in your Despatch, on behalf of the Lower Provinces of Bengal and the Punjab, and in addition to them Dr. Birdwood, Curator of the Museum at Bombay, and Mr. G. A. Lawson, late Secretary to the Central Committee at Madras, to act in this capacity for their respective Governments.

3. Should these gentlemen be ready to undertake this duty, they will be requested to place themselves in communication with Dr. Forbes Watson, who will arrange the necessary details with Mr. Dowleams.
