*Proceedings of the Madras Government, Public Department,
6th June 1867.*

No. 39. Read the following letter from the Secretary to the Committee for the Examination of Assistants, to the Chief Secretary to Government, Fort Saint George; dated 1st June 1867, No. 247.

I am directed by the Committee for the Examination of Assistants to request that Mr. Maclean may be allowed an additional time to qualify for passing in Telugu for the major reward.

2. The exigencies of the public service required that Mr. Maclean should be withdrawn from the College and appointed to act as Inspector of Schools in October last, and he remained on duty for three months. It was understood that, exclusive of the time he was absent on duty, he should be allowed the full period of 14 months from the date of landing given in the Rules as the time within which the examination for the major reward must be passed.

3. The period thus extended expired about the middle of May, but Mr. Maclean is still unprepared to appear for his examination. He urges that the three months extension is not sufficient to compensate for the complete interruption in reading and the loss of previous labor entailed by his appointment. It is obvious that when Mr. Maclean returned to the College he was by no means in the same position with regard to his studies as he was when he left it, and the Committee are of opinion that it is a case in which the Rules should be relaxed, and recommend that Mr. Maclean be permitted to appear for his examination at the end of July.
