Public DEPARTMENT.

G.O. No.	636	Press ~~Mis.~~
Dated	6-6-1867	

Not to be folded or roughly handled

6th June 1867.

No. 61. Read the following letter from the Magistrate of North Arcot, to the Chief Secretary to Government, Fort Saint George ; dated Byreddipully, 23rd May 1867, No. 34.

I have the honor to request that the Right Honorable the Governor in Council will be pleased to sanction the levy of taxes on carriages, horses, and other animals kept within the town of Wallajahpett, as provided in Section 58 of Act X of 1865 ; also, that the Commissioners be authorized, under Sections 120 and 108, to license cart-stands in four classes—Rupees 10, 7, 5, and 3, respectively. Slaughter-houses—2 Rupees, each. cart-stands and slaughter-houses, at the rates given in the margin, which have been fixed under Section 133 of the Act.

2. Owing to the provisions of Section 58 not being in force, the taxation thus far sanctioned falls heavily, the Commissioners report, upon the town's people who have spring carriages, and particularly upon the lower classes of the community, such as washermen and others, who, by nature of their callings, have to go beyond municipal limits with their pack cattle and asses, and thus have very heavy toll dues to pay.

3. It is further requested that permission may be granted, under Section 145, to introduce the bye-law cited in the margin.

BYE-LAW.
"No more than one payment of toll, under Schedule B, Act X of 1865 (Madras), shall be levied on any carriage, cart, or animal entering the municipal limits in any one period of 24 hours, reckoned from midnight to midnight."

4. I respectfully solicit that the wishes of the Municipality may have the early compliance of Government.

No. 62. ORDER THEREON, 6th June 1867, No. 636.

Under the provisions of Section 145 of Act X of 1865 (Madras), the Governor in Council approves and confirms the Bye-law submitted in the foregoing letter. This Bye-law, with the insertion of the words " of Wallajahpett", after " municipal limits," will be published in the *Fort Saint George* and *District Gazettes* for a period of one month.

2. With reference to the proposals for levying a tax on carriages and animals, and for fixing the fees to be charged for licensing cart-stands, the Government will be in a better position to pass final orders after the budget estimate of receipts and expenditure, for the year ending on the 30th April 1868, has been submitted.

3. With the budget estimate (which is already over due), the Magistrate is requested to submit a statement of the actual expenditure and receipts during the past half-year, and a list of the Commissioners whom it is proposed to appoint, or re-appoint, as Commissioners for the Town of Wallajahpett, for the current year.
