Read the following papers :—

No. 105. From the Collector of the Godavery District, to the Chief Secretary to Government, Fort Saint George; dated Cocanada, 7th May 1867, No. 5.

I have the honor to forward copy of a letter, received to day from my Head Assistant, Mr. Wigram, and have no doubt that Government will be gratified to see the liberal spirit shown by the Zemindarnees of Nidadavole.

2. Funds to the amount of 2000 Rupees are required for very necessary additions to the Civil Dispensary here; and by a Notice in the *District Gazette*, regarding the want, I have endeavoured to procure the sum by subscription. I have no doubt that a personal or direct application from myself, to such a man as the Zemindar of Pittapur for instance, would raise the money at once, but doubt the propriety of such solicitations. Such, from Government officials, like the Collector of a District, are looked on in the light of a "command," rather than a "request." I have, therefore, made my "request" in the form already stated. I believe, also, that if I am authorized to express to the Nidadavole Zemindarnees direct, the Government, approbation of their liberal conduct, and to publish the same in the *District Gazette*, their good example will be followed.

From the Head Assistant Collector, to the Collector, Godavery District; dated Rajahmundry, 4th May 1867, No. 44.

I have the honor to bring to your notice the liberality of the Zemindars of Nidadavole, &c., who, on my requesting them to subscribe to some repairs which were much needed in the Civil Dispensary at Rajahmundry, have placed the whole sum required, viz. 410 Rupees, at my disposal. I am of opinion that such an act deserves a public recognition on the part of Government.

The Acting Under Secretary to Government, Public, &c., Departments, is directed to request the Collector of the Godavery District, with reference to his letter of the 7th instant, No. 5, and its enclosure, to be good enough to state whether, as shown in the Head Assistant Collector's letter, the "Zemindars of Nidadavole, &c.," or, as stated in the Collector's letter, the "Zemindarnees of Nidadavole", are the persons to whom the approbation of Government is to be communicated.
