Proceedings of the Madras Government, Financial Department.
1st June 1867.

No. 1. Read the following letter from the Collector of South Arcot, to the Chief Secretary to Government, Fort Saint George ; dated Cuddalore, 23rd May 1867, No. 29.

In reference to the Proceedings of Government, dated 17th instant, No. 220, I have the honor to inquire whether the prohibition against receiving into Government Treasuries copper coins exceeding fractions of a Rupee extends to moneys remitted by Municipalities into the Treasury.

2. Almost all the taxes collected by the Cuddalore and other Mofussil Municipalities, but especially the tolls, are in copper, and if the prohibitory order in question is to affect these collections, very great inconvenience and loss will result to the Municipalities in converting the copper into silver.

No. 2. ORDER THEREON, 1st June 1867, No. 234.

Resolved that Officers in charge of Treasuries be directed to receive collections made by Municipal Commissions in copper coins without any restriction.
