Proceedings of the Madras Government, Public Department,
12th June 1867.

No. 118. Read the following letter from the Inspector General, Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George; 6th June 1867, No. 213.

I have the honor to submit, for the special sanction of Government, the accompanying bill*, for the repair of certain furniture belonging to the General Hospital.

* For Rupees 773-10-0.

2. Government will observe that the Examiner of Medical Accounts has passed the bill, which the Examiner of Claims refuses to audit without their "special sanction."

3. I would observe that sufficient funds have been provided in the Budget Estimate of the General Hospital to meet such contingent expenditure, and that there is nothing unusual in repairing furniture when they require repair.

4. I would further beg to state, for the information of Government, that, on receipt of an Indent for these very repairs, tenders were invited by a Notification in the *Fort Saint George Gazette*, and the lowest tender accepted.

No. 119. ORDER THEREON, 12th June 1867, No. 666.

The Governor in council sanctions the payment of the Bill for Rupees 773-10-0, for repairing the furniture of the General Hospital.
