Proceedings of the Madras Government, Public Department,

13th June 1867.

No. 139. Read the following letter from the Acting Supervisor, Government Press, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 7th June 1867.

I enclose, for your information, a letter from the Superintendent of the Press. Some few days ago the Superintendent informed me that he had reason for suspecting that a Wheeler, Caudar Batcha, had made certain alterations in a Medical Certificate granted to him by Dr. FitzGerald. As to the alterations made in the Certificate by the Wheeler there is, it appears, no doubt. Whether the charge of forgery will be substantiated remains to be seen.

2. In any case it will, I consider, be undesirable to retain this man on the Press establishment.

3. Mr. Leslie, the Overseer of the Press, has explained to me how it was that the Wheeler was allowed to draw part of his pay after suspicion had been entertained with regard to the Certificate. I have no reason to doubt Mr. Leslie's statements, and request that the sum overdrawn may be written off to profit and loss.

From the Acting Superintendent, Government Press, to the Acting Supervisor, Government Press, Fort Saint George; dated Fort Saint George, 7th June 1867.

I have the honor to report, for your information, that the Wheeler Caudar Batcha, given into custody for cheating, by altering the date of a Medical Certificate, was committed yesterday by the Magistrate, Mr. Campbell, for forgery; that gentleman and Mr. Ansell, the Deputy Commissioner of Police, thinking the case too serious for summary disposal, more particularly as the man was in Government employ. The sum overdrawn by change of dates amounted to Rupees 2-11-0.

No. 140. ORDER THEREON, 13th June 1867, No. 681.

Under the circumstances explained in the foregoing letter, the Governor in Council sanctions the sum of Rupees 2-11-0 being written off to profit and loss.

(True Extract).

Chief Secretary.
