*Proceedings of the Madras Government, Public Department,*

*15th June 1867.*

No. 160. Read the following letter from the Private Secretary to the Right Honorable the Governor, to the Quarter Master General of the Army, Fort Saint George; dated Madras, 21st May 1867.

His Excellency the Governor will go on a tour through the Bellary, Kurnool, and Cuddapah Districts during the months of July and August. He will probably leave Bangalore for Bellary about the 20th July, visiting Hospett, Camalapore, and Ramandroog—thence *via* Bellary to Kurnool, whence he will visit the Irrigation Company's works at Sunkasala, returning *via* Kurnool and Gooty to Cuddapah.

2. It will be necessary to have tents at Bellary, at Kurnool, at some good halting ground half-way between those two places; also half-way between Kurnool and Gooty, and at Gooty itself. I would suggest that, as the party will be only five in number, two sets of tents, consisting of one General Officer's, one Field Officer's, four Subalterns', four Necessary, and two Baggage tents be got ready at Bellary, one to go with His Excellency to Hospett, Humpi, &c., and the other pitched after His Excellency's arrival at Bellary, half-way between that place and Kurnool, while a third set of a like number and kind might be sent to Kurnool. On His Excellency's arrival at that place, part of the half-way Camp on the Bellary road might be sent to Gooty, and the rest to the half-way Bungalow between Kurnool and Gooty. His Excellency's Durbar tent, with a like Camp as before, might be sent on to Cuddapah from Madras by rail, to await His Excellency's arrival there. I have the honor to request that you will arrange so that His Excellency may have his Camps all ready on his arrival at the different halting grounds, and that you will give me due notice of what arrangements have been made by you for the purpose.

My dear Sir,  
Will you kindly  
have this order drawn  
up as definitely as  
possible, as last year  
there was considerable  
difficulty in getting some  
of the bills passed, the  
Priv. Secy. will be kind

not ordered to take  
it to a certain place

for the carriage, the  
Civil Payment said  
it was not a bank  
charge, & as the bills  
were hundred dollars  
in some time before  
any money could  
be received - and

if we have nothing but
