*Proceedings of the Madras Government, Public Department,
19th June 1867.*

No. 195. Read the following letter from the Superintendent of the School of Industrial Arts, to the Under Secretary to Government, Fort Saint George; dated Madras, 14th June 1867.

With referer to the Proceedings of Madras Government, Public Department, dated 6th June 1867, No. 4546, I have the honor to submit a revised statement of charges for taking casts of the Hill tribes, amounting to Rupees 170-14-0.

2. I would beg respectfully to point out that there are no funds available in the School of Arts for taking large series of photographs like those of the Hill tribes and of antiquities, and it has been usual to try to cover the expenses by the sale of the photographs. In this instance I think it will be possible to do the same, as the photographs of antiquities and of Hill tribes have been called for by the Kensington School of Design, James Fergusson, Esq., of London, Dr. Scherzer of Vienna, and one or two other parties.

3. I should wish to know if I may go on taking photographs of the remaining Hill tribes of the Anamalays and of the Shervaroys, and if Government will take two sets of the series to assist in defraying the expenses; each series of about 50 photographs will cost 75 Rupees, or a total of Rupees 150 for two sets of mounted copies.

No. 196. ORDER THEREON, 19th June 1867, No. 712.

The Governor in Council sanctions the payment of the charges entered in the statement submitted with the foregoing letter, amounting to Rupees (170-14-0) one hundred and seventy, and Annas fourteen.

2. The Government will take two sets of the series of photographs of the Hill tribes of the Anamalays and Shervaroy Hills at a cost of Rupees 150.

No. 126. From J. FRASER, Esq., President of Municipal Commissions, Godavery District, to the Chief Secretary to Government, Fort Saint George; dated Cocanada, 17th May 1867, No. 4.

I have the honor to forward copy of a letter from the Municipal Commissioners of Rajahmundry, together with a Statement, showing the estimated receipts and expenditure for the current official year.

2. For the reasons stated by the Superintendent of Police, I concur in his proposal for the increased cost of the Police Force. Copy of his letter is also sent.

From the Municipal Commissioners of Rajahmundry, to the President of Municipal Commissions, Godavery District; dated Rajahmundry, 14th May 1867, No. 28.

With reference to Section 31 of Madras Act X of 1865, we have the honor, herewith, to forward a Statement, showing the estimated receipts and expenditure for the year ending 30th April 1868.

2. The estimates have been framed in accordance with the actual receipts and disbursements of the last half-year. There is an estimated increase of 1050 Rupees beyond the sum specified in the Government Notification of 30th April 1867. Of this whole amount, 260 Rupees is for purposes not specified in Section 25 of the Act, and it is requested that a grant of 2600 Rupees, equal to 25 per cent. of 10,200, may be applied for.

3. The revised estimate for the Police is in accordance with a letter received from the Superintendent of Police, copy of which is herewith forwarded.

We concur generally in the Superintendent's proposal, with the exception of the extra Deputy Head Constable, the appointment of whom we do not consider necessary.

We request that you will move Government to make the necessary modification in the Government Notification of 30th April, as regards the Police, should you concur in the Superintendent's recommendation.

4. We request that the names of Mr William Alexander Happell, Acting Head Assistant Collector, and Lieutenant Benjamin Arthur Bloomfield, Acting Superintendent of Jails, may be added to the list of Commissioners.

Proceedings of the Madras Government, Public Department,
12th June 1867.

From the Superintendent of Police, Godavery District, to the Vice President of the Municipal Commission, Rajahmundry; dated Rajahmundry, 24th April 1867, No. 81.

I have the honor to forward the annexed estimate for the Rajahmundry Town Police for the ensuing year.

2. The estimate, you will observe, is more than that of last year, two first class and three second class Constables being budgeted for in addition to those sanctioned for the current year.

3. To carry out efficiently the working of this large and scattered town, the present number of men is insufficient. After a fair trial, I found it necessary to increase the number of Constables, and these have not hitherto been charged to the Municipal Commissioners—it is but right that they should be; and, in some measure to meet the increased expenditure, I have estimated for a 4th, instead of a 3rd, Class Inspector (equal to a reduction of Rupees 360 per annum).

1 4th Class Inspector, at Rupees 85 0 0 per mensem.	
1 Head Constable, at do. 22 0 0 do.	
2 Deputy Constables, at do. 12 8 0 each per mensem.	
7 1st Class do. at do. 8 0 0 do. do.	
13 2nd do. do. at do. 7 0 0 do. do.	
Rent for station-house, at do. 3 0 0 per mensem.	

Total annual cost, including clothing, &c., Rupees 3,874

Do. do. payable by Municipality, being 75 per cent. Rupees 2,906

Monthly cost including clothing, &c., Rupees 323

Do. do. payable by Municipality, do. 242

Salaries of Police Force per annum, Rupees 3,348 0 0

With his letter above recorded, the President forwards estimates of probable receipts and expenditure for the Town of Rajahmundry during the year ending on the 30th April 1868.

quent on an increase in the Force, which has been found insufficient for the requirements of the Town. The revised scheme of the Superintendent of Police, which has been recommended by the Commissioners, and approved by the Inspector General, will be carried into effect. It is necessary, for the reasons stated in the 2nd paragraph of the Inspector General's letter, that an extra Head Constable should be entertained.

3. The Government remark that, in the total amount to be expended, a charge of Rupees 200 is entered “for the purposes of lighting, &c.” A similar charge, having been entered in the budget submitted last year, was disallowed, as not coming within the scope of Section 25. Exclusive, therefore, of this sum, the total amount to be raised and expended by the Commissioners will be Rupees 10,200, of which sum the Government will contribute Rupees 2550.
