Recording letter from Inspector General,

new appointments like the Ramnad
Dispensary, require an addition to the
establishment. (Vide Proceedings, Military Department,
dated 10th May 1867, Nos. 297—299).

No. 206. ORDER THEREON, 20th June 1867, No. 717.
To be recorded.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

Directing application to be made to the Government of India for sanction to the proposed addition of a Hospital Assistant to the Subordinate Medical Establishment, consequent on the arrangement sanctioned for the Civil Dispensary to be opened at Ramnad. } Here enter 24th April 1867, No. 408.

From the Inspector General Medical Department, Fort Saint George, 4th May 1867, No. 172; to the Secretary to Government, Military Department.

With reference to your memorandum, dated the 30th ultimo, I have the honor to inform you, that the establishment of Medical Subordinates having been fixed with reference to the appointments contained in the scheme submitted to the Supreme Government, with the Proceedings of the Madras Government, Military Department, No. 1019 of 17th March 1866, any new appointment subsequently created, like the Civil Dispensary at Ramnad, necessarily requires addition to the establishment, if the appointment created be of a permanent nature. Should the subordinates now in the employ of the Straits' Government be returned to their own Presidency, the provision made for those settlements will be struck out from the scheme, and the individuals be immediately absorbed by existing vacancies; but their return will not render it unnecessary to provide specifically for a distinct appointment like the Ramnad Dispensary, which must always be supplied by a Native Surgeon and a 3rd Class Hospital Assistant.
