No. 208. From the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 6th June 1867, No. 214.

I have the honor to forward, for the consideration and orders of Government, the accompanying communication from the Examiner of Claims, conveying the decision of the Accountant General, Bengal, that with the scale of pay sanctioned in G. O. G. G., No. 370 of 1867,

No. 451, dated 3rd June 1867.

Madras G. O. G., No. 171 of 20th April 1867.

Civil Medical Officers "are not entitled to Dispensary allowance."

2. I beg to state, for the information of Government, that the Dispensary allowance had been discontinued to all Civil Medical Officers who elected the pay of their rank, "in lieu of all Civil emoluments whatsoever," under the permissive Resolution of the Government of India,

conveyed with the Proceedings of the Madras Government marginally noted; but was again restored to them by a Resolution* of the same Government, on

the ground that the allowance was not on account of Medical but scriptory duties as Secretary to a charitable Dispensary.

3. It does not appear on what grounds the Bengal Accountant General has come to the conclusion, that under the new scale of consolidated salaries, Civil Medical Officers are "not entitled" to the allowance thus specially restored to them by the Government of India. It may be that the decision is founded on a misconception of paragraph 5 of the letter† from

cover all remuneration on account of *Medical* duties of whatever nature, unless specially provided for." I have, however, already shown that the duty of Secretary to charitable Dispensaries is not Medical but scriptory, and have therefore the honor to solicit the orders of Government on the reference under consideration.

From the Examiner of Claims, Madras, to the Examiner of Claims, Bengal; dated 7th May 1867, No. 392.

Has the honor to inquire whether Medical Officers in Bengal still draw, in addition to the pay sanctioned in G. O. G. G., No. 370 of 1867, the monthly sum they used to be allowed, when acting as Secretary to a charitable Dispensary.
