24th June 1867.

No. 221. Read the following letter from W. SASHIAH, Moonshee, to the Chief Secretary to Government, Fort Saint George; dated Madras, 19th June 1867.

I beg very respectfully to approach your Honor with the following few lines, hoping that they may meet with your kind consideration.

2. Being thrown out of employ, in consequence of the abolition of the Board of Examiners, I applied for an appointment in the District of Vizagapatam and got the place; so I intend to leave Madras for my destination almost immediately. As I am entitled to travelling allowance, under the Order of the Government of India, dated 26th November 1861, Financial Department, quoted in paragraph 112 of the Uncovenanted Servant's Vade-mecum, published in 1863, I made inquiries in the Accountant General's Office as to the amount of the said allowance, to which they replied, that, in such cases, passage money is usually charged to Government, because it is less expensive to the State than travelling allowance. Then, I went to the Office of the Superintendent of Marine, and asked there what class of passage I would be entitled to, and what would be the cost, to which they told me, in reply, that I would be entitled to second class passage, of which the cost is Rupees 47, and that I could take a servant with me as a deck passenger for Rupees 15, total Rupees 62.

3. I, therefore, humbly request that your Honor will, under the authority of the aforesaid Order of Government of India, be pleased to sanction the payment in advance of the said sum, and thus lay me under very great obligation to your Honor.

No. 222. ORDER THEREON, 24th June 1867, No. 728.
