Triplicane Poor House.

Annual report for the year ending 31st March 1867, reviewed.

GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

No. 269. From the Commissioner of Police, to the Chief Secretary to Government, Fort St. George, dated Madras, 18th June 1867, No. 71.

I have the honour to submit the report of the Triplicane Poor House for the official year ending 31st March 1867.

2. By order of Government, No. 1132, of 5th November 1866, the monthly grant was increased to Rs. 500 owing to famine prices. The average monthly expenditure, however, has only amounted to Rs. 474. Prices have now fallen, and the original monthly grant of Rs. 400 will again suffice to meet the expenses of the Institution.

3. The amount drawn from the Treasury was	RS.	A.	P.
The sum expended was	5,500	0	0
Leaving a balance of	5,212	2	6
	287	13	6

4. The following are the particular items of disbursement :—

By cash paid for feeding with cooked food 1,513 out-door paupers, from 1st May 1866 to 31st March 1867 (<i>vide</i> table in paragraph 7)	RS.	A.	P.
Do. for raw rice distributed to 311 out-door paupers, from 1st May 1866 to 31st March 1867 (<i>vide</i> table in paragraph 7)	2,773	0	6
Do. to 742 paupers, from 1st May 1866 to 31st March 1867 (<i>vide</i> table in paragraph 7)	680	0	10
Do. for feeding and clothing 54 inmate paupers, from 1st May 1866 to 31st March 1867 (<i>vide</i> table in paragraph 7)	436	12	9

Do. for contingent charges, from 1st May 1866 to 31st March 1867 (<i>vide</i> table in paragraph 7)	1,092	0	0

1866-67	RS.	A.	P.
1865-66	473	13	4
	407	9	9
Excess	66	3	7

5. The monthly expenses averaged Rs. 473-13-4, being in excess of those of the preceding year by Rs. 66-3-7. The excess in expenditure was attributable to the very high price of grain during the famine.

6. On the 30th April 1866, there were five inmate paupers, which number remained the same up to February last; and in March it was reduced to four, one of the inmates having left the Institution to join his friends.

7. The total number of out-door paupers relieved amounts to 2,566, giving a monthly average of 233 persons, against 241 persons in the previous year. Ten vacancies caused by casualties amongst the food recipients, two amongst raw rice

recipients, and three amongst the money recipients, were not filled up, the expenditure having exceeded the fixed grant of Rs. 400 per mensem; hence the average number of persons was eight less than last year :—

9. Three casualties by death occurred amongst the raw rice recipients. One admission was made in this class.

10. Amongst the money recipients there were three casualties.

11. As the present season is more favourable than the past, the vacancies will be gradually filled up within the limit of the sanctioned grant.

No. 270. ORDER THEREON, No. 755, Public, dated 27th June 1867.

The foregoing report of the Triplicane Poor House is for a period of eleven months of the official year 1866-67, ended on the 31st March last.

2. The aggregate number of persons to whom relief was afforded during the period in question was 2,620. Of this number, 54 were inmates of the Institution, 311 received raw rice, 1,513 cooked food, and 742 received money. The expenditure incurred, including house-rent and servants' wages, amounted to Rs. 5,212-2-6, or, on an average, about Rs. 2 for every person who received relief, which, considering the very high prices that prevailed during the period of scarcity for grain of all kinds, is a very moderate rate.

3. The season now, however, being favourable, and the prices of grain having fallen, the Commissioner of Police proposes that the special allowance of Rs. 500 sanctioned last year be reduced to the original monthly grant of Rs. 400. The Government approve of the Commissioner's proposal, and authorize its being carried into effect during the current official year.
