No. 40. From R. K. PUCKLE, Esq., President of the Municipal Commissions, Tinnevely District, to the Chief Secretary to Government, Fort Saint George; dated Tinnevely, 20th May 1867, No. 173.

In reply to paragraph 5 of the Government Proceedings, No. 543, dated 13th instant, I have the honor to inform you that the town of Tinnevely consists of a large pagoda surrounded by bazaars and lanes, which are bounded by the paddy fields. There is no place to pitch a tent on, and no house that a European Officer could occupy. Hereafter Tinnevely may, perhaps, be merged with Palamcottah, three miles distant; but the Committee oppose the union at present, and are anxious to show what they can do with such aid as I can afford them. Under the circumstances, it will be perhaps well to wait and see how far a purely Native Committee are capable of managing their own affairs.

No. 41. From R. K. PUCKLE, Esq., President of the Municipal Commissions, Tinnevely District, to the Acting Under Secretary to Government, Fort Saint George; dated Tinnevely, 12th June 1867, No. 196.

In reply to your Memorandum, No. 153, dated 5th instant, I have the honor to inform you that I propose to raise taxes by tolls alone, under Sections 51 to 56 of the Act, in the Municipalities of Tinnevely and Palamcottah, the "licenses for exemption from tolls" being taken out voluntarily under the latter part of Section 51, and not compulsorily under Section 59 and Schedule C, with which we have nothing to do in these Municipalities.

2. As requested, I append lists of the Commissioners proposed to be appointed for the year ending 30th April 1868.

Tinnevely.—Ragavendra Row.
Nelliappa Pillayan.
Abdul Rahiman Saib.
C. Kutanaia Pillay.
Sivarama Moodelly.

*Proceedings of the Madras Government, Public Department,
3rd July 1867.*

3. One member of last year's Committee, Tiruparkadalnada Pillay, has resigned; and Rajahusein Saib has evinced such a total disregard of the interests entrusted to his charge, having only once attended a Meeting, and never once aided the executive, that I have omitted his name from the list of the Committee for this year.

4. Nelliappa Pillayan and Kutanaia Pillay are the two working members, and the improvements effected in the town are mainly owing to their exertions.

5. *Palamcottah*.—Samuel Richard Locke, Esq.

John Wallace, Esq.

C. J. Crosthwaite, Esq.

Namasivayam Pillay.

Periatumbia Pillay.

Malkam Rautan.

Subadar Bahadur Soodalamootoo Pillay.

One member of the Committee, Captain Carnegy, resigned; and Messrs. Wallace, Crosthwaite, and Locke were appointed.

6. Messrs. Locke and Namasivayam Pillay are the working members; the latter has specially superintended the road work. The Assistant Collectors are mostly engaged elsewhere, but, when at Head Quarters, they and the other members of the Committee are regular in attendance at Meetings.

7. *Tuticorin*.—Boyd Horsbrugh, Esq., Acting Head Assistant Collector and Magistrate.

Captain George Phipps, Master Attendant.

Edwin Barter, Esq.

Frederick Adderley, Esq.

Jadi Talavanmore.

Sadagopa Naidoo.

Caliapa Pillay.

Mr. Pereira Moreas.

Pachiperumal Chetty.

Mr. Kinnear resigned, and Mr. E. Barter was appointed in his place.

8. The Committee work well, and have effected a marked improvement in the town.

No. 42. ORDER THEREON, 3rd July 1867, No. 779.

With the first of the foregoing letters, the President of the Municipal Commissions, Tinnevely District, submits estimates of probable receipts and intended expenditure in the three towns of Tinnevely, Tuticorin, and Palamcottah, during the current year, together with a few remarks on the working of the Act during the past half year.

2. In Tinnevely, it is proposed to raise and expend in all Rupees 15,000 for the purposes specified in Section 25 of the Act, the Government contributing Rupees 3000. In Palamcottah, the Commissioners propose to raise and expend Rupees 11,250, but the Government observe that the State contribution is, according to Section 27, to be calculated on the total amount to be raised and expended—the Government grant will, therefore, be 25 per cent. on Rupees 11,250, or Rupees 812-8-0; and the Government grant towards the total amount to be raised and

expended in Tinnevely and Tuticorin will be in each case Rupees 3750. As regards Tuticorin, the Government have already, in their Proceedings of the 1st May 1867, No. 493, authorized the Commissioners to raise and expend Rupees 15,000 for the current year. The Government contribution will, accordingly, as before stated, be Rupees 3750, and the Commissioners will have to raise the remainder.

3. The Police charges are the same for the current year, in each of the Municipalities, as they were during the last year.

4. In Tinnevely and Palamcottah, the necessary funds are to be raised by the collection of tolls only. In Tuticorin recourse is to be had to a rate on houses, a rate on arts and trades, and to the levy of tolls. The Government understand, from the second of Mr. Puckle's letters, that the fees for licenses for exemption from tolls are, in fact, charges on vehicles and animals used on the municipal roads, for the use of which the inhabitants are allowed to compound. It appears very doubtful whether the wording of the Section will bear this interpretation, but the Commissioners must exercise their discretion in construing the intent of the Act.

5. The foregoing proposals are generally approved, and the following Notifications will be accordingly published:—

purposes specified in section
 25 of the Act the Govern-
 ment contributing ~~Rs 3000~~
 * Rs 3000. In Palam-
 cotta the Commissioners
 propose to raise and expend
 Rs 1250 but the Govern-
 ment observe that the State
 contribution is according to
 section 27 to be calculated
 on the total amount to
 be raised and expended: the
 Government grant will there-
 fore be 25 per cent on Rs 1250
 or Rs 312-8-0.
~~The total amount at the
 disposal of the Commissioners
 will be Rs 1562-8-0.~~
 It regards Tinturly the
 Government have already in
 their Proceedings of the 1st May
 1867 A.D. authorized the
 Commissioners to raise and
 expend Rs 15000 for the
 current year. The Government
 contribution ~~being~~ ^{will be} as before stated be
 3750 and the Commissioners

and the Govt. Grant
 towards the total amount to be raised and
 expended in Tinturly and Tinturly
 will be in each case Rs 3750.

Note. If the figures as they stood as
 by Proceedings of the 1st May 1867
 it seemed to be implied that the
 Com. were to raise Rs 12000 -
 the Govt. only giving Rs 3000.
 This was
 not correct.

21
 3 The Police charges are
 the same for the current year
 in each of the Municipalities
 as they were during the last
 year.
 4 In Tinturly and
 Palamecotta the necessary
 funds are to be raised by the
 collection of tolls only. In
 Tinturly recourse is to be
 had to a rate on houses, a
 rate on carts and trades, and
 to the levy of tolls. The
 Government understand from
 the second of Mr. Puckler's
 letters that the fees for licenses
 for exemption from tolls are
 in fact charges on vehicles
 and animals used on the
 Municipal roads for the
 use of which the inhabitants
 are allowed to compound.
 It appears very doubtful
 whether the wording of the Act
 will bear this interpretation, but
 the Commissioners must exercise
 their discretion in construing
 the intent of the Act.
