*Proceedings of the Madras Government, Public Department,
4th July 1867.*

Read the following papers :—

No. 45. From the Superintendent of Marine, to the Acting Chief Secretary to Government, Fort Saint George ; dated Madras, 1st July 1867, No. 2376.

I have the honor to report that, in accordance with the instructions conveyed in
Proceedings of Government marginally
No. 2345, 28th June 1867. noted, the *Earl Russell* was sent to

Ennore to perform short quarantine of observation, and that the Port and Marine Surgeon having visited her there this day and found crew and passengers free from sickness, she has been allowed pratique.

No. 46. From the Acting Sanitary Commissioner for Madras, to the Acting Chief Secretary to Government, Fort Saint George ; dated Madras, 28th June 1867, No. 204.

I have the honor to forward, herewith, a letter from the Port and Marine Surgeon to the address of the Inspector General, Indian Medical Department, together with Memorandum by the last named officer.

2. I beg respectfully to solicit the sanction of Government to the arrangement proposed by the Inspector General, as, under the circumstances detailed, there does not seem to be any necessity for longer detention of the ship under observation than is suggested.

3. Before the return of the ship to Madras, I think she should be again inspected and reported upon by the Port and Marine Surgeon.

From the Port and Marine Surgeon, to the Deputy Inspector General, Medical Department ; dated Madras, 28th June 1867, No. 62.

At the request of the Master Attendant, I proceeded at noon to-day, on board the *Earl Russell* and inspected the ship. I beg to submit a report of my inspection.

2. The *Earl Russell* is a ship of 1042 tons, commanded by Captain Daniel R. Bolt. The ship left Port Louis, Mauritius, on the 4th June and arrived at Madras this morning, without touching at any intermediate ports. Fever was still prevailing at Port Louis when the ship left that port, but to a less extent than before. The strength of the crew is 42, of which number 14 are Europeans and the remainder Natives. There are 20 passengers on board for Madras, namely,

14 Men (Madrases).

2 Women.

2 Children.

2 Chinamen.

—
20 Total.

3. I inspected the crew and passengers and found them perfectly healthy. The Chief Officer stated that no sickness prevailed on board during the voyage, and all the passengers corroborated the statement.

4. The ship was clean at the time of my inspection. The 'tween decks was well ventilated, and there was no disagreeable smell of any kind in the ship.

5. The above report was made in person to the Superintendent of Marine.

No. 2333.

Received by the Inspector General, Indian Medical Department, at 3 P. M., on 28th June 1867, and forwarded to the Officiating Sanitary Commissioner for his information.

Proceedings of the Madras Government, Public Department,
4th July 1867.

Under the circumstances within stated, the Inspector General is of opinion that the ship may be directed to proceed to Ennore, and to remain there under simple observation for three days:
