*Proceedings of the Madras Government, Public Department,
5th July 1867.*

No. 59. Read the following letter from the Secretary to the Government of India, to the Chief Secretary to Government, Fort Saint George; dated Simla, 14th June 1867, No. 780.

Financial Department.

Referring to your letter, No. 7, dated the 4th of January last, requesting that the Sanitary Commissioner, Madras, and his Secretary may be included in the list of "Privileged offices" under the Postal Rules of the 4th of May 1866, I am directed to state that as, under a Notification of this date, Collectors and Magistrates have been included in the list of privileged offices, and the correspondence of the Sanitary Commissioner with unprivileged offices will therefore not be great, the Governor General in Council does not consider it necessary to comply with the application.

2. I am to add that as a contingent bill must be submitted by the Secretary of the Sanitary Commissioner, there will be no difficulty in adding a charge to cover the cost of service labels purchased. The trouble to him will be much less than would be imposed on the Post Office if an account had to be kept of every Post Office at which the Commissioner might post a letter. It is most desirable that, as far as possible, the Post Office should be spared the labor of keeping accounts for travelling offices.

No. 60. ORDER THEREON, 5th July 1867, No. 789.

Communicated to the Sanitary Commissioner, with reference to his letter dated the 19th December last, No. 344.
