No. 69. Read the following letter from the President of the Municipal Commissions, Tanjore District, to the Chief Secretary to Government, Fort Saint George; dated Point Calimere, 11th June 1867, No. 158.

I have the honor to forward, herewith, for the perusal of Government, a letter from the Acting Head Assistant Magistrate of this District, in which he requests that Vydianatha Iyer, Tahsildar of the Mayaveram Taluq, may be appointed a member of the Municipal Commission for the town of Mayaveram.

2. I beg to second Mr. Parker's recommendation, and to state that I think he is only stating the simple fact, when he says that there is positively no one amongst the Mayaveram Commissioners who is fit to undertake even the routine management of the municipal office, during the Head Assistant's absence.

3. Mr. Crole, when at Mayaveram, complained most bitterly to me to the same effect, and I trust, therefore, that the Government will be pleased to accede to Mr. Parker's proposal, and will nominate Vydianatha Iyer to be one of the Mayaveram Municipal Commissioners.

From G. A. PARKER, Esq., Acting Head Assistant Magistrate, to the President of the Municipal Commissions, Tanjore District; dated Mayaveram, 4th June 1867, No. 71.

I have the honor to suggest that I think it would be very desirable that Vydianatha Iyer, the Tahsildar of Mayaveram, should be appointed an additional member of the Municipal Commission at this place.

2. I am aware that Government, as a general rule, regard it as undesirable that Tahsildars, who are also Sub-Magistrates, should be members of Municipal Commissions, but I think this objection might be obviated by arranging that the Taluq Sheristadar, who has been invested with Magisterial powers, should try all cases brought at the instance of the Municipal Commissioners.

3. At the present time, should the Vice-President be absent from Mayaveram, there is positively no one amongst the Commissioners whose position or inclination would entitle him to undertake the lead even in the routine management of the office, and I think it is desirable that there should be such a person. Many of the applications which now come to me could be better settled by an Officer with more local knowledge, and as I have in my division two towns, one considerably larger, and the other nearly as large, and both, perhaps, more important than my Head Quarter station, it is clear that I cannot give so much attention to the routine management of the municipal office as I should otherwise wish to do. There are, of course, many subjects particularly belonging to the Vice-President, but such minor matters as the repairing of houses, erection of pandals, &c., might be well decided by the Tahsildar if he were a Commissioner.

No. 70. ORDER THEREON, 5th July 1867, No. 793.

Under the circumstances stated in the foregoing letter, the Government will not object to the appointment of the Tahsildar and Sub-Magistrate of Mayaveram, as an additional member of the Municipal Commission.

2. Under the provisions of Sections 6 of Act X of 1865, the Governor in Council is pleased to appoint Vydianatha Iyer, Tahsildar and Sub-Magistrate, to be a Town Commissioner for the Municipality of Mayaveram.
