OFFICIAL MEMORANDUM.

The Under Secretary to Government, Public &c., Departments, is directed to forward to the Inspector General of Police, for his remarks, the Budget Estimates of expenditure on account of Police charges for the towns of Combaconum, Tanjore, Negapatam, and Munnargoody. It will be seen that in Tanjore and in the other Municipalities various changes are proposed; and the total charges are estimated at sums differing more or less from those sanctioned last year.

2. The Acting Under Secretary is also directed to draw Mr. Robinson's attention to the last paragraph of the President's letter, from which it appears that the submission of the Budget Estimates was delayed in consequence of the estimates of Police charges not having been received from the Superintendent of Police till the 31st May last, while the Police estimates ought, according to Section 30 of Act X of 1865, to have been sent in not later than the 31st October 1866.

OFFICIAL MEMORANDUM.

The Under Secretary to Government, Public &c., Departments, is directed to request that the Magistrate of Tanjore will, with reference to his letter of the 1st June 1867, No. 152, explain whether the necessity for the considerable increase in the amount which it is proposed to raise for municipal purposes in Negapatam, Tanjore, Combaconum, and Munnargoody has been fully ascertained, and whether these sums can be raised without an undue pressure of taxation on the people. It is observed that, in the case of Negapatam, there is an increase of no less than Rupees 22,000.

(Signed) F. BRANDT.

11th June 1867.

Acting Under Secretary to Govt.

To the Magistrate and President of the Municipal Commissions, Tanjore.

No. 102. From the President of the Municipal Commissions, Tanjore District, to the Chief Secretary to Government, Fort Saint George; dated Point Calimere, 15th June 1867, No. 161.

With reference to the Under Secretary's Official Memorandum, dated 11th June 1867, No. 166, Public Department, I have the honor to state that, with the exception of Tanjore, the modes for raising the municipal taxes in the four towns of Combaconum, Negapatam, Munnargoody, and Mayaveram, are exactly the same as those approved of last year by Government. In Tanjore, the Commissioners have added the house tax, and this I think they have been wise in doing, as experience has shown that many of the wealthy inhabitants of Tanjore altogether escape a license tax.

2. The considerable increase in the amount which it is proposed to raise for municipal purposes, which is referred to by the Under Secretary, having arisen only from the taxes producing more than they were originally supposed to be able to produce, and not from any increased modes of taxation, has made me come to the conclusion that these sums can be raised without any undue pressure of taxation on the people. I must also add that the statements forwarded with my letter of the 1st June 1867, No. 152, were very carefully prepared by the various Municipalities, and after they had fully ascertained that all the different modes of taxation proposed were really required.

No. 103. From W. ROBINSON, Esq., c. s. i., Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 20th June 1867, No. 1019.

Account Department.

With reference to Mr. Under Secretary Brandt's docket, dated 11th instant, I have the honor to return, countersigned, the estimates for the Police of the towns marginally named, for the current year.

Combaconum.	Munnargoody.
Tanjore.	Mayaveram.
Negapatam.	

2. I approve of the proposed changes, involving a decrease of charge, except for Combaconum.

3. I have lately visited and carefully inspected the town of Combaconum, and the working of its Police, and I consider that an increase of Constables to the number of 16 is indispensable. To meet the charge in part, the services of one Inspector may be dispensed with. I beg the Government will sanction the revised estimates.

4. It will be observed that there is no increase on the total charge for all towns of the District of Tanjore—only an adjustment with reference to their ascertained requirements.

5. In explanation of the delay noticed, I may observe that the Act was only introduced during the 2nd half of the past year, and the delay has enabled me to calculate from experience what the proper estimate of the current year should be.

No. 104. ORDER THEREON, 11th July 1867, No. 817.

With the first of the above letters, the President of the Municipal Commissions, Tanjore, submits estimates of probable receipts and intended expenditure, for the year ending on the 30th April 1868, for the several towns in the District in which the Towns' Improvement Act is in force.

2. There is an increase in the sums which it is proposed to raise and expend, in the case of each of these towns, as compared with the estimates for the last year. In Tanjore it is proposed to raise Rupees 51,866-10-8, against Rupees 44,784 as estimated for the last year; in Combaconum Rupees 41,333-5-4, against Rupees 32,408 last year; in Munnargoody and Mayaveram Rupees 18,850 and Rupees 11,252, against Rupees 13,014 and Rupees 10,409, respectively; and in Negapatam Rupees 48,000, against Rupees 25,871.

3. Slight alterations have been made in the strength and charges of the several Police Establishments, sixteen additional Constables being employed in Combaconum. These changes are approved by the Inspector General of Police, and are sanctioned.

4. The Government contributions to the several Municipalities will be as follows:—

	RS.	A.	P.
Tanjore.....	12,966	10	8
Combaconum....	10,333	5	4
Negapatam.....	12,000	0	0
Munnargoody...	4,712	8	0
Mayaveram	2,813	0	0

5. In Tanjore, Combaconum, and Negapatam, recourse is to be had to a tax on houses; a tax on arts, trades and professions; tolls; a license on carriages and animals; and registration of carts;—and in Combaconum and Negapatam to fees for the various licenses specified in the Act. In Munnargoody the required funds are to be raised by a tax on arts, trades, and professions, and by tolls and fees for licenses; and in Mayaveram by a tax on houses, a tax on arts and trades, a tax on carriages, and fees for registration of carts.

The following Notifications will accordingly be published:—
