Proceedings of the Madras Government, Public Department,
18th July 1867.

No. 172. Read the following letter from the President of the Municipal Commission, Kurnool, to the Acting Chief Secretary to Government, Fort Saint George; dated Kurnool, 27th June 1867, No. 88.

I have the honor to request you will have the goodness to obtain the sanction of the Governor in Council to the accompanying bye-law, framed by the Municipal Commissioners of Kurnool, under the provisions of Section 143 of the Towns' Improvement Act (Madras X of 1865).

2. The Commissioners have felt it necessary to introduce this bye-law to protect the rights of the Toll Contractor, which are frequently evaded by persons driving in cattle, &c., by circuitous routes, to avoid passing the toll gates, and because the Contractor complains that it is customary for persons to convey, by means of bullocks, goods as far as the toll gates, where they unload and bring their goods through the gates on registered carts.

Bye-law.

Persons evading, or attempting to evade, the payment of legal tolls, on entry within the municipal limits, shall be liable to a fine not exceeding 20 Rupees.

(Signed) T. CHASE,
President.

No. 173. ORDER THEREON, 18th July 1867, No. 852.

The Government decline to sanction the bye-law submitted with the foregoing letter. Sections 52 and 54 of the Act provide for the seizure of vehicles and animals in case of non-payment on demand of tolls legally leviable, and for the protection of Toll Collectors in case of resistance.

2. These provisions have been found sufficient for the due realization of the municipal tolls in other places, and no special reason has been given why a different course is necessary at Kurnool. The terms of the proposed bye-law are vague, and would possibly give countenance to oppressive conduct on the part of the Toll Collectors.
