Proceedings of the Madras Government, Public Department.

23rd January 1867.

No. 173. Read the following Proceedings of the Board of Revenue, dated 29th November 1866, No. 8570.

Read also letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chetterpore, 23rd October 1866, No. 2817.

In reply to the order contained in Board's Proceedings of the 9th instant, I have the honor to state that I do not consider it necessary to make advances to the ryots for sinking private wells.

2. Where there is water sufficiently near the surface to be available for irrigation, they sink pits themselves in dry seasons, but such (dry seasons) are of very rare occurrence, and the wells might remain useless for the next twenty years.

Submitted to Government, with reference to paragraph 2 of Government Order, dated 5th October 1866, No. 1015, Public Department.

2. The Board do not think it necessary for Government to make advances to the ryots, for the purpose of enabling them to sink wells.
