26th July 1867.

No. 275. Read the following letter from the President, Municipal Commissions, Cuddapah, to the Chief Secretary to Government, Fort Saint George; dated Cuddapah, 18th July 1867, No. 123.

In my letter dated 25th June 1867, No. 48, amongst other Bye-laws that I suggested, as President of the Municipal Commission, might be enforced, I requested—

1st.—That every four-wheeled carriage on springs, drawn by two bullocks, shall be taxed under Clause 2 of Schedule C.

2nd.—That for every galloway or poney under 14, but over 13 hands, a tax of Rupees 2-8-0 be levied.

3rd.—No cart registered within the limits of the Cuddapah Municipality shall be exempt from payment of tolls, unless it shall bear the registration ticket issued by the Commissioners.

All of which were refused sanction by Government, but the two first, I observe, are sanctioned at Ootacamund and Kurnool, and the 3rd at Coimbatore.

2. The Municipality lose considerably by the 1st Bye-law not being enforced, as people having such conveyances use the roads for nothing by taking off the springs and so render them untaxable.

3. As, therefore, these two Bye-laws are in force in the above-mentioned places, I trust their provisions may be extended to Cuddapah.

4. The 3rd is in force in Coimbatore, and without such a provision it would be an impossibility to distinguish the registered from those not belonging to the Municipality; for if the tickets be not nailed to the carts the cart-owners would bring in a whole string of bandies, one by one, (as they have done by merely shewing one ticket in their hands). I, therefore, have the honor again to request that this Bye-law also receive the sanction of Government.

No. 276. ORDER THEREON, 26th July 1867, No. 917.

The Government observe that the first and second of the Bye-laws re-submitted, were inadvertently sanctioned in the case of Ootacamund and Kurnool: the Notification sanctioning their introduction in the Municipality of Ootacamund has been already cancelled. The same course will now be adopted with regard to Kurnool.

2. The third of the Bye-laws now again submitted is superfluous; Section 66 providing that every cart or vehicle without springs shall bear the registration number granted by the Commissioners in such manner as the Commissioners shall direct.

3. The following Notification will be accordingly published in the *Fort Saint George Gazette* :—

NOTIFICATION.

The Governor in Council directs that the three Bye-laws sanctioned for the Kurnool Municipality, under date 21st March 1867, and notified in the *Gazette* of the 26th idem, be cancelled, the taxes leviable under these Bye-laws not being in accordance with Schedule C. of Act X of 1865.

By order of the Governor in Council.

Acting Chief Secretary.

From

President Municipal Commission
Cuddapah.

To
The Chief Secretary to Government
Public Department
Fort Saint George.

Sir,

In my letter dated 26 June 1867
N^o 48, amongst other Bye Laws that I sug-
gested as President of the Municipal
Commission, might be enforced. I suggested

1. That every four wheeled carriage on
springs drawn by two bullocks shall be
taxed under Clause 2 of schedule C.
 2. That for every gateway or pony under
14, but over 13 hands, a tax of Rs 2. 8 & 0
be levied.
 3. No cart registered within the limits
of the Cuddapah Municipality shall be
exempt from payment of toll, unless it shall
bear the registration ticket issued by the
Commissioners.
- All of which were refused sanction by
Government, but the 2 first, I observe, are
sanctioned at Catakamund and Karnool
and

and the 3rd at Coimbatore.

2. The Municipality is considerably
by the 1st Bye-law not being enforced, as people
having such conveyances use the roads for
nothing by taking off the springs and so
render them untaxable.

3. As, therefore, these 2 Bye Laws
are in force in the above mentioned places
I trust their provisions may be extended
to Cuddapah.

4. The 3rd is in force in Coimbatore,
and without such a provision it would
be an impossibility to distinguish the re-
gistered from those not belonging to the
Municipality, for if the tickets be not nailed
to the carts the cart-owners would bring in
a whole string of bandies, one by one, (as they
have done by merely showing one ticket in
their hands) I, therefore, have the honor again
to request that this Bye-law also receive
the sanction of Government.

Sir,
