*Proceedings of the Madras Government, Public Department,
23rd January 1867.*

Read again letter from the Municipal Commissioners for the Town of Madras, dated 16th and recorded in Proceedings of the 19th October 1866, No. 1067.

Read also the following papers :—

No. 185. From the Municipal Commissioners for the Town of Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 16th January 1867.

The period required by Section 180 of Act IX of 1865 for the publication of our draft Bye-Laws having expired, we have the honor to request that they may be finally considered and confirmed by Government.

2. In connection with this subject, we beg to represent that several of the Slaughter-houses, Markets, Parcherries, and other places, the regulation and management of which are provided for in the Bye-Laws, are the property of Members of the Carnatic family, who are exempt from ordinary Civil and Criminal process, and that the object of the Bye-Laws will be in a great measure defeated if such exemption is allowed to continue.

3. We have been in communication with the Chepauk Agent on the subject, and have satisfied him by personal inspection how entirely one member of the Carnatic family, Her Highness Khyre-oon-Nissa Begum, has disregarded our requirements in respect of her Market at Veraragava Moodelly Street, Triplicane, which is a perfect nuisance to the neighbourhood, and we have also had very recently to complain of the filthy state of a Parcherry belonging to Ahwad-oon-Nissa Begum on the Mount Road, where cholera is seldom absent; and we would respectfully submit, for the serious consideration of Government, the absolute necessity of rendering these personages amenable to Municipal Law, the same as all other landed proprietors and residents within the jurisdiction.

4. We may also mention that the first Begum referred to has persistently neglected to pay taxes on her conveyances and horses, and other animals, under Act IX of 1865.

MEMORANDUM.

Some of the Bye-Laws established by the Municipal Commissioners for the regulation of order in the public thoroughfares, published in *Fort Saint George Gazette*, page 921 of 11th December 1866, are already contained in the Police Act (XIII of 1856, and XLVIII of 1860), and can probably be dealt with most effectively by the Police. It would cause confusion if persons were to be charged for the same offence at one time under the Municipal Act, and at another under the Police Act.

2. *Bye-Law No. 1.*—Although Kite-flying and dangerous games are not expressly mentioned in the existing Police Act, yet prevention is exercised by the Police, and express provisions have been introduced into a Revised Police Bill under preparation by the Honorable J. D. Mayne. It is a Police rather than a Municipal Regulation.

3. *Bye-Law No. 3.*—This is a Police Regulation, and already provided for in Clause 4, Section 19, Police Act XLVIII of 1860.

Proceedings of the Madras Government, Public Department,

23rd January 1867.

4. *Bye-Law No. 4.*—This is a Police Regulation, and already provided for in Clause 10, Section 19, Police Act XLVIII of 1860.

5. The above Memorandum was forwarded to the Municipal Commissioners on the 15th ultimo, and has only now been returned by them, with an intimation that the proper course would be to submit any such objections raised against the proposed Bye-Laws to Government.

No. 187. ORDER THEREON, 23rd January 1867, No. 92.

The Bye-Laws framed for carrying out the several purposes of the Madras Municipal Act IX of 1865, with the exception of Nos. 1, 3, and 4 of the Bye-Laws for the regulation of order in the public thoroughfares, which, for the reasons given in the foregoing Memorandum of the Commissioner of Police, the Governor in Council deems it proper to disallow, are hereby confirmed, and will now be published in the *Port Saint George Gazette*, with translations in Tamil, Telugu, and Hindustani, as provided in Section 181 of the Act.

2. The Government approve of the proposal of the Municipal Commissioners, made in their letter of the 16th October 1866, that all Bye-Laws applicable to such places should be put up, in a legible form, in all Markets, Slaughter-houses, and Burial or Burning Grounds.

3. The Governor in Council directs that the Government Agent at Chepauk will intimate to Her Highness Khyre-oon-Nissa Begum, and the other members of the Carnatic family, whose names are entered in Schedule A, appended to Act XXXVII of 1858, that unless they shall conform to the provisions of the Municipal Act and to the Bye-Laws passed under it, permission will be granted to the Municipal Commissioners to proceed against them according to law.
