*Proceedings of the Madras Government, Public Department,
3rd August 1867.*

Read the following papers :—

- No. 11. From the Inspector General of Police, to the Acting Chief Secretary to Government, Fort Saint George; dated Kotagherry, 6th July 1867, No. 1146.

General Department.

With reference to G. O., No. 645, dated 10th June 1867, I have the honor to submit an estimate for a tiled hospital for the Police at Cocanada, amounting to Rupees 3400.

2. The building, which is the subject of this correspondence, is a cheap thatched place, erected at public cost, for the use of the sick at that station, and is sufficient for Police purposes in its present condition; but if it is to be tiled, it must be pulled down and rebuilt.

3. The Municipality wish to have a solid and tiled hospital; and I think (with the expression of opinion of Government before me) it would be well to meet their wishes under the Act, and contribute from the Budget of next year the 25 per cent. of the cost required, viz., Rupees 850.

4. It will, however, be necessary to lay the matter in this form before the Commissioners, as Section 25 of the Towns' Improvement Act requires them to furnish the requisite buildings and their share must be entered in their Budget.

Referred to the President of the Municipal Commission, Cocanada, for information, and for such remarks as the President may have to make.

FORT SAINT GEORGE,
11th July 1867.

(Signed) F. BRANDT,
Acting Under Secretary.

- No. 12. From the President of the Municipal Commission, Cocanada, to the Acting Chief Secretary to Government, Fort Saint George; dated Cocanada, 25th July 1867, No. 23.

I beg to return the papers enclosed in your Under Secretary's endorsement for such information and remarks as I may have to make on the subject of the tiled building required for the Police Hospital at Cocanada.

2. I have the honor to state that the funds of the Municipality will not admit of their incurring the cost of building a tiled hospital. They are, therefore, willing to let the thatched building remain.

- No. 13. ORDER THEREON, 3rd August 1867, No. 945.

Ordered that the letter from the President of the Municipal Commission, Cocanada, be communicated to the Inspector General of Police.

(True Extract).

Acting Chief Secretary.

To the Inspector General of Police, with plan and estimate.

Sir,

I have the pleasure to (Y.B. 10645) inform
you that on 10th June 1867 I have the honor to submit
an estimate for a tiled Hospital for the Police
at Bacanada, amounting to Rs 3,400.

2 The Building which is the subject of this
correspondence is a heap of stone & wood erected
at Foulie East for the use of the police at that sta-
tion, and is sufficient for Police purposes in its
present condition. But if it is to be tiled, it must
be pulled down and rebuilt.

3 The Municipality wish to have a tiled
and tiled Hospital, and I think with the

expression of opinion of Government before me.
It would be well to meet their wish under
the Act and contribute from the Budget of next
year, the 25 percent of the Act required, viz £850.

4 It will however be necessary to lay the
matter in this form before the Commission as
Section 25 of the Towns Improvement Act requires
them to furnish the requisite Billings and their
names must be entered in their Budget.

I have the honor to be

Yours Most Obedient Servant

Wm. Wilson
Inspector General of Police
