5th August 1867.

No. 33. Read the following letter from the Acting Collector of Nellore, to the Acting Chief Secretary to Government, Fort Saint George ; dated Nellore, 19th July 1867, No. 4.

The construction of a reservoir for drinking and other purposes was commenced in Nellore by Mr. Dykes with local subscription in 1864. Its object was to supply the town with good water, as set forth by Mr. Dykes in his letter to the Board of Revenue, dated 7th February 1862, paragraphs 10 and 11, recorded in the Proceedings of Government, dated 7th March 1862, No. 383.

2. Convict labor was employed upon the work, and the work was well advanced when the Municipal Commission was introduced into Nellore. Since then nothing has been done.

3. I have the honor to request that, as a special case, Government will allow convict labor to the Municipality free of charge, for the purpose of completing this useful work, as in that case the Commissioners have passed a resolution to devote Rupees 600 to it, the amount of the incomplete estimate.

No. 34. ORDER THEREON, 6th August 1867, No. 956.

Under the circumstances stated, the Governor in Council directs that, as a special case, a gang of convicts be placed at the disposal of the Municipal Commissioners of Nellore, free of charge, for the purpose of completing the reservoir referred to by the Acting Collector.
