*Proceedings of the Madras Government, Public Department,
7th August 1867.*

Read the following papers :—

No. 51. From the Inspector General, Indian Medical Department, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 11th July 1867, No. 273.

I regret to find that in consequence of the appointment of Residency Surgeon, Travancore, not being entered in the printed list of Civil stations in the Appendix attached to the Report of the Commission assembled in Calcutta on the Indian Medical Service, dated 7th March 1866, I omitted to have it classified in my letter No. 209 of the 4th ultimo, and I now beg permission to have this error rectified.

2. With reference to the class in which the appointment should be placed, I beg to submit, for the consideration of Government, the statement of the present incumbent as to the expense he is put to in travelling with the Resident. The conveyance of the Residency Surgeon himself, and of his personal baggage, is paid for out of the Resident's travelling allowances, but the whole cost of conveying his wife and family is borne by himself; and he has only the option of incurring this expense, or of being separated from them during nine months of the year, and keeping up a double establishment.

3. Under these circumstances, I have the honor to recommend that the appointment of Residency Surgeon, Travancore, may be placed in the 1st Class.

52. From the Acting Accountant General, Madras, to the Acting Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 1st August 1867, No. 150.

Post Audit Department.

With reference to G. O. G., No. 171, dated 20th April last, I have the honor to inquire in what class the Residency Surgeoncy of Travancore should be placed, as I do not find that appointment named in the list given in the letter from the Inspector General, Indian Medical Department, recorded in Proceedings of Government, No. 702, dated 17th June last.

No. 53. ORDER THEREON, 7th August 1867, No. 963.

On consideration of the papers above recorded the Governor in Council is not prepared to sanction the appointment of Residency Surgeon, Travancore, being placed in the 1st Class of Civil Surgeons.

2. The appointment will be included in the 2nd Class.

being separated from them during
nine months of the year and keeping
up a double Establishment.

3. Under these circumstances I

Travancore may be placed in the
1st class.

I have the honor to be,
Sir,
Your most obed^t Servant,
H. Maclellan

Circulated for orders

It will ~~be~~ be seen that the bonâ fide travelling expenses
of the Residency Surgeon are paid to him. It was on the ground
of misexpense that it was proposed to make this a first class
appointment. Nine months appears a long period of wait-
ing for the Resident.
