*Proceedings of the Madras Government, Public Department,
13th August 1867.*

No. 79. Read the following letter from Colonel J. CARPENDALE, R. E., Honorary Secretary, People's Park, to the Chief Secretary to Government, Fort Saint George; dated Madras, 1st August 1867, No. 468.

In Order of Government, No. 1622, of 21st May 1866, the sum of Rupees 1200 was sanctioned for an "octagonal galvanized iron cage" for the lions in the People's Park, subsequent to which the then Honorary Secretary disapproved of the design as unsuitable for this climate, and directed the preparation of a plan and estimate for a cage similar to that which had been found to answer well for the tigers.

2. The estimate amounted to Rupees 2400, and a man called Veeraragavaloo, a contractor, was engaged to build the cage; and on its completion he submitted a bill, amounting to Rupees 3082.

3. The cost appeared to me excessive, but the material and the work are certainly of the best description, and on the Superintendent's assurance that he had measured, calculated, and checked every item, I submitted the bill to the Municipal Board.

4. The Board, however, disclaimed all responsibility in the matter, and having ascertained from the Department Public Works what the tiger's cages had cost, I personally examined the measurements of work, and compared the rates with those usually prevailing in the bazaar and in the Department Public Works, by which I have been able to reduce the bill to Rupees 2675.

5. The contractor has consented to accept payment according to my valuation, and I purpose discharging the liability in excess of the sanctioned amount, by an accumulated sum arising from the half-anna fees paid by the Public for admission to the lions and tiger's cages, and by gradual payments in future from the same source.

6. As Government are not asked to pay anything extra on account of the cage, I make this report for record merely, to prevent any misapprehension on the matter hereafter.

No. 80. ORDER THEREON, 13th August 1867, No. 981.

Under the circumstances explained by Colonel Carpendale in the foregoing letter, the Governor in Council approves of the payment to Veeraragavaloo, the contractor, of the sum of Rupees 1475, expended in excess of the sanctioned outlay of Rupees 1200, in the construction of the cage for the lions, from the fees realized from the Public for admission to the lions and tiger's cages.
