14th August 1867.

No. 93. Read the following letter from the Municipal Commissioners for the Town of Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 2nd August 1867.

We have the honor to acknowledge the receipt of the Order of Government, dated 11th July 1867, No. 821, directing us to submit to Government annually, not later than the 31st October, a statement, prepared in the form annexed thereto, of the estimated expenditure out of municipal funds on public works for the ensuing official year, and, in reply, we beg to bring to notice that Section 17 of the Madras Municipal Act, No. IX of 1865, requires us to submit, on or before the 1st October, an estimate of income and expenditure for the year *commencing on the 1st of January* then next ensuing, and that forms of such estimates were laid down and furnished to us by Government on the 28th March 1866, No. 327.

2. We would also observe that the accounts of the Municipality are required by Section 19 of the same Act to be made out for the calendar year.

3. As we cannot suppose that Government require us to submit one estimate for the calendar, and another for the official year, we venture to solicit their farther orders on the subject.

No. 94. ORDER THEREON, 14th August 1867, No. 991.

Under the circumstances stated in the letter above recorded, the Government will not require from the Municipal Commissioners any other estimate of income and expenditure than that which is furnished by them under Section 17 of Act IX of 1865.
