Proceedings of the Madras Government, Public Department,
13th August 1867.

No. 104. Read the following letter from T. A. N. CHASE, Esq., President of the Municipal Commission, Kurnool, to the Acting Chief Secretary to Government, Fort Saint George; dated Kurnool, 30th July 1867, No. 98.

I have the honor to forward a corrected statement of the actual expenditure on account of the Municipal Police of Kurnool.

In my letter, No. 68, dated 11th May, the statement marked D, Captain Reid informs me, was incorrect, because all the items, other than those for the pay of the establishment, were for twelve months, instead of for nine months as they ought to have been.

This revised statement makes the actual expenditure Rupees 4958-10-1, and not as in the original one 5106-13-0.

Captain Reid has also furnished me with a revised estimate for 1867-68, amounting to Rupees 6611-8-2, which is, with the exception of a few Annas, the exact amount of the sanctioned charge, viz., Rupees 6612.

2. I have repaid the 9 Rupees, as directed in Government Order, 818, dated 11th July 1867, paragraph 3.

As the difference now turns out to have been only one of account, there will be no loss of 147-13-0 to be borne by Government, as mentioned in that paragraph.

In the Government Notification a misprint has taken place, I think, in the amount to be raised and expended. The numbers are Rupees 21,610. They should be 26,414-1-4; for the estimate was originally made out on the expectation of the Government grant being Rupees 3824-4-0, but that grant has been reduced (vide paragraph 5 of the Government Order) to 3628-4-0, making a difference in the estimate of 196 Rupees. The estimate was Rupees 26,610-1-4. If 196 Rupees are deducted from that, the amount remaining will be 26,414-1-4. This will be clear from this estimate, revised according to the Government Order, as below—

	RS.	A.	P.
By house taxes, at 4 per cent., under Section 37...	5,913	0	0
By collections on tolls, under Section 50.....	6,000	0	0

By balance brought forward from 1866-67.....	7,488	13	4

Should the Government agree with me in considering that the figures are incorrect, I shall feel obliged if the necessary corrections may be made in the *Fort Saint George Gazette*.

KURNOOL,

*Proceedings of the Madras Government, Public Department,
13th August 1867.*

No. 105. ORDER THEREON, 13th August 1867, No. 996.

From the revised statement of Police charges for the Kurnool Municipality for the year 1866-67, it appears that the actual expenditure under that head was Rupees 4958-10-1, and not Rupees 5106-13-0, as originally stated.

The estimates for 1867-68, under the same head, amount, within a few Annas, to the sum sanctioned in July last.

2. There will, it appears, be no actual loss on account of disbursements for Police charges for 1866-67, the difference noted by Government being one of account only.

3. With regard to the amount to be contributed by Government towards the Municipal Fund for 1867-68, there has, as Mr. Chase suggests, been a mistake, which will be corrected as follows:—

The total amount to be raised and expended is Rupees 21,610, as shown in the margin, but the Government contribution must be calculated on this sum, and not only on the amount to be raised by the Commissioners; the total amount, therefore, at the disposal of the Commissioners will be as follows—

	RS.	A.	P.
Police	6,612		
Office Establishment...	3,000		
Stationery and Contingencies...	500		
Improvements, drainage and conservancy	11,493		
	21,610		
To be raised by the Commissioners.....	14,513	0	0
Government grant, at 25 per cent. on the total amount to be raised and expended.....	5,402	8	0
By fines, sale of cow-dung, and house-rent.....	784	0	0
	20,699	8	9
By Balance from 1866-67.....	7,488	13	4
Rupees.....	28,188	5	4

4. The following Notification will accordingly be published in the *Fort Saint George Gazette*:—

President to the
Municipal Commission
The Hon. Mr. L. S. Halliday
Chief Secretary to Govt
Port St. George.

Sir,
I have the honor to forward
a corrected statement of the
actual expenditure on account
of the Municipal Police of Port
St. George.
In my letter 1068 dated 11th
May, the statement quoted
by Captain Reid informs me,
was incorrect because all the
items other than those for the
pay of the establishment were
for 12 months instead of for
9 months as they ought to have
been.

This revised statement
makes the actual expenditure
£4958. 10. 1, and £4 as in
the original one £106. 13. 0.
Captain Reid has also
been sent a copy of the revised

estimate for 1867/68 amounting to Rs. 6611-8-2. which is with the exception of a few annas the exact amount of the sanctioned charge viz Rs. 6612-0-0.

2. I have repaid the Rs. as directed in Government Order 818. dated 11th July 1867 Para 3.

As the difference turns out to have been only one of account there will be no loss of 147-13-0 to be borne by Government as decided in that Para.

As the Government notifications a discrepancy has taken place, I think, in the amount to be raised and expended. The numbers are Rs 21,610 They should be 26414-1-4. For the estimate was originally made out on the expectation of the Government Grant being 3824-4-0 but that grant has

has been reduced (Vide Sanction of the Government Order) to 3628-4-0 making a difference in the estimate of 196 Rs. The estimate was Rs 26,610. If 196 Rs are deducted from that the amount remaining will be 26414-1-4. This will be clear from this estimate revised according to the Government Order as below.

By House Taxes at 4 per cent under Section 37- 5913
By collections on tolls under Section 50- 6000
By Licenses Section 37- 2100
By registration fees Section 62- 300
14513-0

By Government Grant at 25 per cent on above 3628-4-0
18141-4

By fines 300-0-0
By sale of land 200-0-0
By house rent 84-0-0
784-0-0
18925-4

By balance brought forward from 1866/67- 7488-13
Total 26414-1-4

Should

Should the Government agree with him considering that the figures are incorrect I shall feel obliged if the necessary corrections may be made in the Fort Saint George Gazette.

Read the following letter from the President of the Municipal
Commission, Kurnool, dated 30th July 1887. N^o 98.

Order thereon — 13th August 1887. N^o 99

From the revised statement of the
Charges for the Kurnool Municipality
for the year 1886/7, it appears that
the actual expenditure under that
head was Rs. 4958-10-1, and
not Rs. 5706-10-0, as originally
stated.

The estimate for 1887/8 under the
same head amount, within a few
annas, to the sum sanctioned in
July last.

2. There will, it appears, be no actual
loss on account of disbursements
for Police charges for 1886/7, the
difference noted by Government being
one of account only.

With regard to the amount the Com-
missioner of Government demands
the Municipal Fund for 1887/8,
there has, as Mr. Chase suggests, been
a mistake, which will be corrected
as follows.

The total amount raised and
expended is Rs. 21,610, as shown

in the margin, but the Government contribution must be calculated on this sum, and not only on the amount to be raised by the Commissioners; the total amount therefore at the disposal of the Commissioners will be as follows.
